OneWorld Airline Alliance Sustainable Aviation Fuel (SAF) Expert, Damian Mc Lauglin, joins JetPerfect Foundation Board of Advisors

Dateline: Berkeley, California: December 8th, 2022 — **Damian Mc Lauglin**, OneWorld Alliance SAF expert and Environment and Sustainability Board Member announced today his formal acceptance of an invitation to join with other international aerospace and aviation leaders and innovators, and to become the most recent member of the JetPerfect Foundation Board of Advisors.

The JetPerfect Foundation is a 501C3 public benefit corporation established in June 2021 in Berkeley, California with a mission statement that includes the researching and development of alternative energy for aviation and aerospace. Aerospace and Aviation is currently a \$3.5 trillion dollar industry with commitments from all major airlines worldwide to utilize carbon-free propulsion technology by a target date of no later than year 2050.

Along with a variety of pilots both private and commercial, noteworthy aviation experts of the JetPerfect Foundation Board of Directors include CityAirbus designer and project director, Uwe Kiesewetter; Josef Mouris, Founder and CEO of Holland-based Electron Aerospace; Dr. Mohammad Yazdani-Asrami, University of Glasgow Lecturer and Professor in alternative propulsion at the James Watt Laboratory for Electric Aviation Research and Development; Lawrence Blakeley former CTO of Vertical Aerospace and current COO of newly-formed H55; Simon Webb, Rolls Royce Engineer and Chief Strategy Officer for the Aerospace Technology Institute's Fly Zero initiative; Christian Huff, Founder and CEO of CharterandGo; James Earl, Business Unit Manager of Bayards Vertiport Solutions; Dr. Bijan Vasigh, managing director of Aviation Consulting Group and Finance, Business, and Economics Professor and Author at the world's largest and academically integrated aeronautical university, U.S.-based Embry-Riddle; Maria Fiskerud, Head of Sustainability for Braathens Regional Airlines (*BRA*); Rob Mckinney, CEO of Northern Pacific Airlines, and Ann-Sofie Horlin, Head of Sustainability, Scandinavian Airlines (*SAS*) and member of the Sustainability Strategy Team for the Star Alliance airline alliance.

Further inquiries should be directed to the JetPerfect Foundation c/o Ernest Siravo at email: info@jetperfect.org.
