

Merchandise Donation Program

Your students and guests can purchase merchandise from our gift shop and we'll **donate 20%** of everything sold back to your organization.

Students can use our convenient order forms to pre-order gift shop items, or our items can be purchased the day of your event, or both!

**This is not a fund raiser.
We handle every aspect of the sales.
You are not required to do anything.**

- You send the order forms home with the students.
- Our company will staff the gift shop and handle all sales.
- You give us the order forms on the day we arrive and then we'll fill the orders and place the items in individual bags with the students name on them.
- You distribute the orders back to the students.
- Gift shop will be open during your evening event, if you choose to have one.
- We accept all major credit cards, cash, and checks.

At the conclusion of your event, we will donate 20% of all sales!

Some schools have generated enough income from this program to cover the entire cost of their event!
