President's Message

As we kick off a whole new season while we probably will see a few flurries and frost but it is the time of year for hope, regrowth, renewal and new beginnings. Our attempt for our annual meeting has come (and probably gone) where we are finally starting to get together and it is a START to a great camping season.

Next on tap is the NAFCA Spring Safari. May 14-16, 2021 at the Spencer Fairgrounds in Spencer, MA. We need people to bring games (bocce, grunt, potty, etc.) with them as we do not have access to the PV8 hall.

On Friday night we will play “Bob’s Bingo” in a safe way. On Sat. morning Worcester Chapter will again sell their breakfast sandwiches! And don’t forget your treasures for our “Chinese” auction. Scout the NAFCAree table to make sure that you are all set for the NAFCAree. Buy a raffle ticket (or two or three) for the Jacob’s Ladder quilt. Cheer for your Chapter in the parade of colors. Seems like “things” are starting to fall in place.

You will have water and electric and there is a “dump” station open on Sun. You are allow to have an above ground campfire(weather permitting).

We have the bathrooms (with free showers) and the large “buyers building” for our use.

We ask that you register with you chapter or “non-chapter” and let us know if you need handicap. If you decide to come on Thurs. that is fine also and you can pay when you arrive.

Please wear a mask and social distance when you leave your site. Let’s all work together and make the best of the situation. We all have been through a lot and it is time to try to go back to the way that NAFCA camps with friendships, courtesy, and a helping hand.

Let’s make it a GREAT reunion of camping friends and don’t forget to welcome our new members. Stay Safe!

Linda Ostiguy
NAFCA President

Campers, Family & Friends:

Happy Spring! I think?! As I write this month, snow is furiously falling outside. I see lots of pictures posted of NAFCAs members who have already uncovered their rigs getting ready for camping, now covered with snow. I recognize this is New England but I think we all could use some nice weather so we can get outside!

May is always such a memorable month for me. Not only are there several birthdays and Mother's Day but it starts out with May Day! A tradition that my grandmother always did for us growing up. And of course my mother keeps that tradition going with us and my children. I always smile when I think of my grandmother making homemade fudge and a simple but sweet basket from a strawberry container and crepe paper. To me, May Day, on May 1st lets me know that the flowers will soon be in bloom, warm weather is coming and most importantly that my grandmother is always with us! Looking forward to seeing everyone in person real soon!

Quilt Raffle**

"Hidden in Plain View"

Keeping in mind that there is much controversy among historians because most of the legends are oral lore signaling the escape of the slaves via the "under ground railroad" The "Jacob's Ladder" pattern of our raffle quilt is a pattern often used with secret encoded messages hung outside that signaled the slaves they had reached a safe haven.

The quilt is made with reproduction period fabric. It measures 54" x 77 1/2". The raffle tickets are \$2.00 each or 3/\$5.00.

It is a fund raiser for NAFCAre 2021. You do not have to be present to win. It will be at Annual Meeting, Spring Safari, etc. or contact Linda Ostiguy for tickets.

Drummer Boy Camping Resort

1300 Hanover Street

Gettysburg, PA 17325

Web Site: <https://drummerboycampresort.com/>**NAFCA Members, please plan on joining us for the 2021 NAFCaree at Drummer Boy Camping Resort in Gettysburg PA.****FRIDAY TRIP CHANGE:**

The NAFCaree Committee has just been advised that the Eisenhower National Historic Site will not be open in 2021. Therefore, we have changed the itinerary and lowered the price for the Friday July 23rd trip.

The new trip will be as follows;**WWII Guided Tour / Lunch at Hickory Bridge / Adams County Winery**

This tour will start with a fascinating 2-hour tour of a rarely-explored aspect of Gettysburg's rich military history. Learn about the people and places that played a part in the Allied victory in World War II. Visit the site of a prisoner-of-war camp and learn why an intelligence camp was located here, training specialized troops for psychological warfare. You will hear stories of the Navy's secret site where maps were drawn for an invasion of Japan, and see the many famous battlefield monuments that were nearly lost to a scrap drive created to fuel the war effort. Experience the moving stories of WWII veterans buried in the Gettysburg National Cemetery. From Pearl Harbor to the Battle of the Bulge to Guadalcanal, these war-time casualties encompass all theaters of the war and all military branches. World War II in Gettysburg also tells the inspiring stories of key wartime leaders who came to Gettysburg, including President Franklin D. Roosevelt and Prime Minister Winston Churchill. And learn about General (and later President) Dwight D. Eisenhower's decades-long history in Gettysburg, starting in 1918.

After the WW II Tour, we will stop for lunch at Hickory Bridge Farm and Restaurant which dates back into history as far as the late 1600s when the King of England granted the land to Charles Carroll the father of the signer of the Declaration of Independence. Here, we will enjoy a full family style meal for lunch. The menu may include, a house salad with a warm sweet and sour dressing, warm baked bread with apple butter, two or three entrees passed family style complimented with several vegetables, corn fritters, stewed apples and a choice of homemade dessert.

After an abundant meal, you are welcome to visit the farm museum, old time country store or the bed and breakfast at no additional cost (Please no hanky-panky in any of the guest rooms!).

Lastly, to cap off a great meal (and a very busy week), we will stop at the Adams County Winery. The winery offers an inviting, comfortable, and casual atmosphere where anyone can relax and taste wine. Enjoy the beautiful gardens, Pet-friendly grounds, and the historic tasting room built in an 1860's era bank barn.

Whether you are a wine connoisseur or a complete newcomer, you are invited to visit, make yourself at home, and let the knowledgeable staff guide your experience here at the winery. Note: The cost of any beverages / refreshments at the winery are NOT included in the cost of the trip.

**Job Well Done
Roberta Chermely!**

NAFCA's General Liability Insurance Policy renews every April. I changed agents last year and saved \$1,000 over the previous year's premium of \$5,000. Roberta Chermely thought we could do even better and she did something about it. At a NAFCA meeting last Fall she mentioned she could help, so last month I asked her to give it a try.

Roberta is an Account Manager, and a certified insurance agent. She knew of insurance carriers that have experience with non-profit companies. So we worked together on a back-and-forth barrage of questions by the insurance underwriters, and faced a major hurdle due to high demands of our NAFCAree campground. In the end we were able to work with the Campground and the underwriter to come to an agreement. When the dust settled, Roberta's and my efforts were rewarded when NAFCA's premium dropped to under \$3,000. A reduction of well over \$1,000 from last year, and over \$2,000 from the year before.

At a time when NAFCA is fighting for every dollar, Roberta brokered us a great deal. Well done Roberta. NAFCA thanks you.

Penobscot Valley Acres Chapter #37

It's getting closer! Longer and warmer days are a sure sign that the new camping season is just around the corner. I don't know about you all but I'm getting excited to start packing the 5th wheel and heading "up ta camp". A group of us went out to look about and have a campfire. We roasted some hot dogs and enjoyed visiting. There was still a fair amount of snow in places but the trek in wasn't so bad and well worth it to catch up with one another. Our face book page is a buzz with folks kicking around some ideas for this new season's activities. Hopefully it will be more relaxed as far a safety concerns. I'm sure all the folks who do the 4 wheeling will be making plans for more trips. Folks are talking about more pot lucks Chinese auctions and game days etc. We understand many of our members have had bouts of having to deal with this awful Covid virus but everyone seems to be recovered or recovering well. Hopefully this summer will find us all well and able to enjoy our wonderful little campground without the treat of Covid. To that end my hubby and I have had our vaccines and hopefully it will do the trick. Well I'll sign off for now and wish you all safe travels!

Janet Bagley

Pioneer Valley #8

It's officially spring! And we are enjoying the longer daylight and the improving weather. I myself am spending more time in my back yard and at the Silvio Conte nature /walking trail in Hadley, Ma. Watching as the birds are returning and the plant life blooms!

With the return of spring weather, our minds turn to camping! PV8 is busy planning our spring and summer outings. Offerings include our traditional campouts and a Conservation weekend campout, complete with a bird of prey program. While we will be able to gather and see each other, we will still be courteous and considerate and follow Covid protocols, including social distancing and masking.

We held our first ever "parking lot" meeting in mid March!

Many folks showed up for the meeting and to cast their votes in our officer's election. While not our traditional meeting or elections (we could not hold our treasured installation ceremony), the weather was great and it was wonderful to see so many friends we have had little to no contact with for nearly a year. Congratulations to our new slate of officers!

CT Wolf Den Chapter #103

It's already spring, and we've had a few spectacular days! The sunrises are spectacular, and the temperature has gotten up to 74 degrees. I do hope we don't go directly into summer. I always like a slow bloom from the beautiful trees, bushes and flowers. My daffodils are blossomed as I write this, as others are only just budding.

The days are growing closer to the start of camping. It's looking good, but also looks like a slow increase in Covid cases. We have to believe this summer will be better than last.

Here's to all of us meeting with our camping friends around the campfire soon!

In solidarity,
Arlene Goodwin
