## President's Message

It is ten days before the MA Multi-chapter and NAFCA full board meeting at Traveler's Woods in Bernardsten, MA. Today it is a go! It is very hot and humid (like it should be in July). We should look forward to a few campouts and events still planned.

That being said the board has met twice and emailed often to try and work some tasks. We have 2021 NAFCA Spring Safari planned for the Spencer Fairgrounds in Spencer, MA (May 14-19, 2021) with Ellen & Tony Mineault, they also will chair the NAFCA booth at the Springfield RV & Outdoor show at the Big E if it is held. Aug 1st was the deadline for all delegates, state & national officers to vote for their wishes for the 2021 NAFCAree (I'll make the announcement at full board). This will help the committee to start working while campgrounds are still open.

We are working on the best and most economical way to get Chatter to

you. We ask that you strongly consider having Chatter emailed to you instead of printed.

Most Fall Frolics have been cancelled so we will not have them to look forward to. We are keeping our fingers crossed about Camp-O-Rama, but there again we can only do so much planning and must wait until we are told if it can happen. (Editor's Note: Camp-O-Rama has been canceled.) Make sure you read Chatter,

Annual Meeting, Council of Chapters and full/board will all take place on Oct. 3, 2020 at Circle CG Farm, Inc. in Bellingham, MA. RI is the host for this event. I know I sound like a broken record but my hands are tied. We want to accomplish so much to have membership grow in both spirit and growth. Let's all work together and make it happen!

There is good to be found in every day if we look for it...especially in these new and trying times.

Linda Ostiguy  
NAFCA President

## Camporama 2020

With all that's going on with the pandemic, the travel restrictions, rate of of cases and no signs of significant improvement, we feel that it's time to face the reality that Camp O Rama 2020 must be canceled. It's not an easy call to make and it pains us that we have to do this, but there is no justification for taking a risk and arranging a gathering of this many people just over a month from now. We make this decision with your health and safety in mind.

You will be receiving your refund checks soon. If your check has not already cleared the bank, we would like your permission to void and shred your check. We will only do this with your permission! Please email Donna at [blu8dolphin@gmail.com](mailto:blu8dolphin@gmail.com) to give your permission.

We look forward to seeing our NAFCA family and friends around a campfire, until then stay safe and healthy!

## NAFCA Otter River Conservation Weekend

October 16 - 18, 2020

Alas your fall session of the NAFCA Otter River Conservation/Camping Weekend is officially cancelled.

This act brings with it great dismay. I along with all the customary members who look forward to this weekend are sorrowful at the seemingly endless cancellation of camping weekend events.

We will give this outing another try for the April 16-18, 2021 Weekend. Who knows NAFCA May emerge from this Pandemic a better and stronger Family Camping Club.

Until the next Campfire,  
Don Daniel - Chairman

Hello everybody, hope everybody is well and safe. This surely has been a different way of Camping. Coming from Massachusetts Everett & I quarantined for 14 days entering Maine. We left with a full refrigerator of food. We had nice neighbors that offered to pick up anything we needed. Thank you friends. Shopping has gotten a little easier getting whatever you need. Was difficult at first even for me.

Welcome to all our New Members, as we have all noticed our Campground is full and now has a waiting list, which is great. Have had limited activities going on due to this crazy virus and self distancing and of course our masks. Hoping all the scientists can cure this virus quick.

Has been a very warm July in Maine, this humidity gets to you. I do not remember this kind of heat for a while.

Our Campground Director, Brian Hodgdon & Campground Asst. Roger Boucard, have been doing a wonderful job keeping this place in excellent shape and willing to help anybody that needs it. Thank you to both.

We have had a Beaver problem near our entrance and Brian made sure that is being taken care of. and we are safe. They sure can do some damage.

We want to thank Irene & Kathy for their delicious Chinese meal they hosted for us. We enjoyed it.

Our camping is a very short season this year. So many things cancelled with us and NAFCA and around the world. What a different world it is. Hoping that you are all thinking posi-

tive .

Till next time, stay safe. Sincerely,  
Doris Mitchell

### Penobscot Valley Acres #37

Members, Tammy & Joe Foss, treated everyone to a wonderful strawberry shortcake on 4th of July weekend with fresh strawberries from their daughter & son-in-law's farm, "R.J. Hall family farm, just down the road from PVA.

There was also a surprise birthday party pot luck for member, Linda Tracy. Her husband Vaughn was happy it could be pulled off because apparently it is very hard to "pull one over" on Linda.

Also this month there was live music down on "brookside" to celebrate more birthdays and anniversaries. Steve and Mary Lou and some of their band members came and entertainer everyone with their great sounds. We are fortunate to have some very talented musicians and singers. They even got President Joe to get up and sing with them. Folks were dancing and having a wonderful time. It was nice to see everyone having such a good time together. It just goes to show a little Covid social distancing can't keep us down.

Well that's all for now, got to get out and enjoy this weather while I can.

Stay safe everyone!

Janet Bagley

## Massachusetts

### Massachusetts State Director

I hope everyone is staying strong, as we stay home if we can, practice social distancing when we are out and wear a face covering when in a public

space. I know it's not ideal but let's do our part to keep our selves safe along with others.

Massachusetts is still moving forward, so that is a good sign. So with that being said we wait daily to see what will be happening with hope and continue to make plans for the rest of our camping season. Some of us have ventured out in small groups.

Please be patient and understand that we don't want to cancel things, so we may be waiting until the last minute to see where things are before we do.

We are still looking for proposals for the 2021 Fall Frolic and also anyone interested in becoming a deputy, let a team member know.

The 2021 Mass Dinner Dance, which will once again be at the Holiday Inn Express in Sturbridge on January 30, 2021.

Stay smart and be safe

I really miss all of our camping family.

Kathy Lena

Massachusetts State Director

### Squaw-No-Cook #30

Hello all,

It's not quite halfway through summer - who's been camping?? The Schofield and Hayes families, along with Dan and Melissa, that's who!!

I saw photos of Brad, Janis, and Charlie at Lake Compounce. Looks like they had a good time, even though some rides weren't available. They had to wear masks in the park, but I could see their smiles. The fires looked pretty good too.

And the saga of camper tires continues... Dan mentioned he changed two tires the other year, and just made arrangements to change the other two tires. The tire was off a seasonal camper and was more a brittle rubber issue

than tire wear. Charlie said it was lucky Dan's camper wasn't damaged by flying rubber as it tore off. Whew! Glad Dan, Melissa, and the camper are fine. And thanks to Charlie for helping!!

Marty's house is really coming along!! The shed is in the right spot now, and I think the steps for the house should be in soon as well. While many of us are waiting for final pictures, I'm sure Marty's just anxious to move in!

I saw that Carol has been down the cape, Katie's home recuperating (feel free to send her hello cards!!), and Jim and I did a few day trips recently. I haven't been in touch with too many people lately. How are you all doing??

All the best,  
Barbara Starr

Hi All! What a camping season or should I say, what a non-camping season?! Our chapter has yet to be out on the camping trail.

A very big THANK YOU to Dick Basha for presiding over Campfire Chatter for eighteen years. I know NAFCA has not had an Editor longer. Thanks to Dick for hanging in there for all our members. He has been through good times and bad. I will miss working with him and on making the Chatter deadlines. This position of Editor will be a difficult, most needed spot to fill and I know our Executive Board will work to move someone in to the editors chair soon. If you can or know someone who can be Editor, please let your president know ASAP.

If NAFCA does have any camp outs it looks like Council of Chapters weekend, October 1,2, 3 & 4 in Rhode Island. A location has not been announced as of July 25. Stay tuned for any updates.

With the Mass Fall Frolic being cancelled maybe we can all camp at Camp-O-Rama September 17 - 20 on

Second Beach, Middletown, RI. The Quahaug Chapter always puts on a fun filled weekend. I do hope we can still attend this great event.

I do hope all will be safe and healthy as we move along in phases.

Happy Labor Day!

I'm not much for celebrating this holiday, as it means we're nearing the end of summer which brings the end of camping soon! It saddens me that there will be no fairs because of the COVID-19 virus. Let us all keep praying this time next year everything is back to normal, even before this time.

The month of July sure has been an extremely hot one! We've had a couple of heat waves, but I'll take that any day over winter. We had a great time on our first camp out with a bunch of us during one of the heat waves. We managed to stay cool, and get in a few games of corn hole, and bocci. All the dogs got along really well, and were our referees during the games.

Friday night, we did a curbside pickup for dinner. We had a small fire and the sky lit up so pink with a sliver of the moon. No doubt tomorrow will be a scorcher. We watched for the Comet, but later in the evening the sky

got cloudy.

Saturday night we had our usual potluck with a roast, and tater salad, green bean casserole, and bread. We topped it off with zucchini and basil cupcakes with cream cheese filling and whip cream frosting. Pat came to visit, and she looks great as usual! She was pleased to see old faces, and new faces, and certainly enjoyed not having to cook. It's too bad Charlie wasn't able to come with her, maybe next time.

The boys had a sunset game of horseshoes! When they finished, Jon made a blazing fire! We made strawberry smore's, and again watched for the Comet as the sky was clear. No one was paying attention, but Carol suddenly did see it streak across the sky. Yayyyy!

See everyone at the next camp out!  
Enjoy the sunshine!  
STAY SAFE!!! And, God Bless!!  
Submitted by Arlene Goodwin  
Wolf Den 103 Secretary

We hope that everyone staying safe & having a fun filled camping season this year! We have had a very busy summer camping as I'm sure you all have had. Summer is in full swing & Labor Day is upon us, it is never too soon to be thinking about the Springfield RV, Camping and Outdoor Show! Mark your calendars now. FEBRUARY 12-15th, 2021!

While the Covid 19 virus is forcing many events to be canceled or postponed, we are remaining positive that by February things will be somewhat back to normal. Our camp show committee is already hard at work behind the scenes preparing for the upcoming show.

### **Campshow from page 5**

The 59th edition of the camping show, produced by campers for campers, is on tap for Presidents' Day weekend at the Eastern States Exposition Grounds in West Springfield, MA. For the past 58 years, this show has been produced by the membership of Pioneer Valley Chapter 8 (PV8). This year's chairmen, Dale & Ron Bernard, and their committee are working hard to keep our show the biggest and the best. The last four years shows have each had over 47,000 in attendance.

Admission is one low price of \$10! Of course, senior, DAV, military are still \$7 & children 12 & under are free! Stay tuned for complete show details including directions, exhibitor list, entertainment schedule, and more! ## MASSACHUSETTS MULTI-CHAPTER CAMPOUT

### **Multi-Chapter**

We were able to hold the Multi Chapter at Travelers Woods in Bernardston. We wish to thank them for all their support and working with us to be able to make this happen. With the guidelines set up by the Governor of the State for safe camping, we were able to go camping. We were also able to hold the NAFCA Board meeting. The campground also put on a spaghetti dinner for everyone camping with proceeds going to the Shriners, an organization the wholly support.

We had 13 rigs reserved to go camping plus many the day visitors for the meeting. We modified the coffee and... to no coffee bring your own and any desserts be separately wrapped to reduce the touching of items. We still held the brown bag auction – with as little contact as possible – keeping a safe distance. Our campfire was a little further apart all with wearing our masks.

Thank you everyone for making this a special weekend in this crazy time.

### GRILLED CHICKEN WINGS

Submitted by David and Paula Colvin

1 cup vegetable oil  
½ cup soy sauce  
4 cloves garlic, minced  
1 tablespoon fresh lemon  
4 lbs chicken wings

In a medium bowl, whisk together the oil, soy sauce, garlic and lemon juice

Place wings inside a large zip-lock bag and pour the marinade over the wings. Seal the bag, making sure to remove all the air from the bag, place the bag in a baking dish, refrigerate and marinate for a minimum of 4 hours.

Heat the grill to 350°. Remove the wings from the bag and arrange in a single layer in a baking dish or directly on your grill grates, taking care to tap off the excess marinade. Cook for 30 minutes, then adjust the temperature to 425° and grill for another 15 minutes. Serve

Cover and cook 4 minutes, then give the chops a 90-degree twist. Cook for 4 more minutes. Flip the chops, cover the grill and cook on the second side until an instant-read thermometer show 135°, 6-8 minutes. Let rest 10 minutes before slicing.

### GRILLED ZUCCHINI AND SUMMER SQUASH SALAD

Submitted by David and Paula Colvin  
1 cup pecan halves, coarsely chopped  
2 zucchinis, ends removed and sliced lengthwise into ¼ inch planks  
2 yellow squash, ends removed and sliced lengthwise into ¼ inch planks  
½ cup extra virgin olive oil  
Kosher salt and ground pepper  
½ cup fresh parsley  
3 tbsp balsamic vinegar  
¾ cup ricotta cheese

Heat oven to 350° Place the pecans on a baking sheet or in a dry skillet. When the oven is hot, bake until fragrant and lightly browned, about 8-10 minutes. Let cool.

Heat a grill pan over high heat until lightly smoking. While the grill is heating, toss the zucchini and yellow squash in a large bowl with ¼ cup olive oil and season with salt and pepper.

Evenly arrange the vegetables on the grill and cook until grill marks are visible about 3 minutes. Working quickly, flip and cook until lightly charred on the second side and the vegetables have softened in the center, about 2 more minutes. Transfer to a large bowl.

Add parsley, vinegar, toasted pecans and remaining 1.4 cup olive oil. Season to taste with salt and pepper.

Arrange a small pile of salad in the center of each place, top each salad with a few dollops of ricotta cheese and serve warm.

### STRAWBERRY POKE CAKE

Submitted by David and Paula Colvin  
½ cup (8 tbsp) salted butter, softened  
4 large eggs  
1 ¼ cup milk  
1 (15.25 oz) white super moist cake mix  
1 cup boiling water  
1 (3 oz) strawberry jell-o  
½ cup cold water  
1 (8 oz) Cool Whip  
1 (3.4 oz) instant vanilla pudding  
1-pint blueberries  
2 pints raspberries  
Heat oven to 350°

In a large bowl, beat together the butter and eggs with mixer until combined. Beat in the milk, followed by the cake mix. Pour into a 9 x 13 prepared baking dish and bake until a toothpick inserted into center comes out clean, about 30 minutes. Cool, in the dish, to room temperature.

Once cool, use a skewer to poke holes all over the cake.

In a medium bowl, stir together the boiling water and strawberry Jell-o

Stir in the cold water and then immediately pour over the cake, letting the mixture soak into the holes.

In a second medium bowl, stir together the Cool whip and pudding mix until thoroughly combined. Spread in an even layer over the cake. Cover and refrigerate for at least 4 hours or overnight.

When ready to serve use the blueberries to create the upper left quadrant of the flag, leaving white space to represent stars. Use the raspberries to create the red stripes of the flag. Cut into slices and serve.
