APRIL 2020

Otter River Conservation Weekend April 17, 18 & 19, 2020

The time has come again to gather at the birthplace of NAFCA and as you know that place is Otter River State Forest located in Baldwinville, MA.

No cost to camp and there are no reservations needed in exchange for a few hours of your time helping out with the tasks on Saturday of the weekend. Some of the tasks may include: Raking around each campsite fireplace; raking/sweeping the pavilion floor and around the large fire pit next to the pavilion; raking the memorial grove area; sweeping and cleaning off the memorial brick area next to the Roger Swallow Bench and any other tasks the forest staff may need us to do.

The Saturday evening meal will be pot luck and I do hope everyone will join this meal. You bring a main dish item to feed your family and one more person. Side dishes are always welcome.

If you can bring a goodie to share for our coffee (I'll bring the coffee) at the Friday and Saturday campfires as well Saturday morning coffee break thanks in advance for that.

Please if you can bring a rake and other hand tools, that would be very nice. Remember there are no hookups or dump station. We will have a handicap accessible porta Jon for our use over the weekend. Generators may be used with

caution and consideration of all camped with our group.

Basic directions:

MA Route 2 West to exit #20 – Baldwinville Road, at top of ramp turn Right onto Baldwinville Road and follow this road to its end then turn Right onto US202 North going through Baldwinville Center. Otter River State Forest will be on your left hand side about ½ mile out of town.

From MA Route 2 East to exit #19 (US 202 North), left at the top of the ramp. Follow US 202 to Baldwinville Center and then directions above.

Any questions or concerns please call Don Daniel at 978-664-4294.

I hope to see you at Otter River NAFCA's first campout of the year.

President's Message

Hello to all my fellow campers in NAFCA.

We hope you all sent in your ballot to vote in the person of your choice. The deadline was March 1 to the NAFCA PO Box.

This is my last President message for the Chatter. I want to thank you all for putting your trust in me, to be the President of this great organization. I have been associated with NAFCA for a long time and it has been great. This is a great family group to be in. We have met so many wonderful people, and been to some great campouts with you. Now we are on to a new adventure in our lives.

The deadline for Proposals for the 2021 NAFCA Spring Safari & NAFCaree has passed. I did get proposals for both.

The articles about both are in this Chatter.

See you at the Annual/Full Board campout at Country Aire CG in April.

Yours in camping,
Dennis & Pam Richardson

NAFCAre Trips

TROLLEY TOUR - Sunday – Trolley Tour – We have commandeered our own Kingston Trolley Tour. Explore the history of Canada's first capital aboard our own thirty-two passenger trolley. The trolley will pick up right at the campground and take us to Fort Henry and the Penitentiary Museum, along the way we will hear about the history of Kingston as we make our way from one location to the other. Included in this trip are a guided tour of Fort Henry and a guided tour of the Penitentiary. Explore what Kingston has to offer! (There is a possibility that the Penitentiary will not open this summer – If that is the case we have other stops planned along this historic route)

OTTAWA - Monday – Ottawa "Changing of the Guards" - Please join us for a very full day of activities in the beautiful city of Ottawa. We plan to leave the campground early in a coach bus to travel to Ottawa in time to see the changing of the guards at 10:00 am. There are sooo many things to do in the area of the capital building including restaurants and shops. Our plan is to arrive at Ottawa by 9:00 to see the changing of the guards at 10:00 – this lasts 30 minutes. After that, you will have options. We will plan a walking tour of the area which ends at the restaurant area. A brief lunch stops before heading to a tour of congress then down to the river for a boat ride on the Ottawa River before heading back to the campground. If you would like, you can choose to get

go off on your own and meet us later at the boat to see what you would like to see. There are free museums and activities in Ottawa. This tour does have a 30 person minimum for the cost of the bus, so please reserve early. If we do not have 30 people, we make other transportation arrangements.

MUSIC MAN - Thursday – Thursday we are planning a trip to Gananoque which is a city slightly north east of Kingston along the St. Lawrence Seaway. We are offering several options for that day, #1 We will be going to a matinee "Music Man" at the Thousand Islands Playhouse – Canada's Dockside Theatre, a waterfront performing arts venue. Again, please reserve early as this will sell out. #2 Join us for the bus ride and enjoy the afternoon at the Thousand Islands Shorelines Casino where you can enjoy slots and games as well as a buffet. The bus will pick you up for the return trip home. #3. Join us for the bus ride and enjoy the afternoon in Gananoque on your own, (There are many things to do including taking in a boat ride on the Thousand Islands Seaway, which leaves every half hour, or have lunch at the Gananoque Brewing Company.) Just meet us back at the bus at the theater for the bus ride home.

UPPER CANADA VILLAGE – Friday – On Friday we will be going to the Upper Canada Village, a heritage park near Morrisburg Ontario which depicts a 19th century village as it was in Canada. Learn the history and heritage of the first settlers of the area. There are many activities and interesting homesteads to explore, learn to milk the cows and walk a calf, you can visit the bakery and flour mill while you tour the village and learn about life in the 1860's. We will return at a reasonable time to allow for rest and relaxation before your trip home.

Upper Canada Village Tour

With our tour to Upper Canada Village, you'll get to learn how the people of Kingston lived during the 1860's. The village was founded in 1961 and serves to depict life in a rural English Canadian setting during the year 1866. The site includes over 40 historical buildings including some that are still in operation today, including a cheese factory. Back in the 1860's, cheese was an important revenue source in the local economy. They make the cheese the same way and

with the same equipment that they did in the 1860s. Staff dressed in the clothing of this time period discuss aspects of the daily life including social life, music, religion, and politics.

The Battle of Crysler's Farm, a battle of the War of 1812, is memorialized at the park. If you want to learn more about the battle, the village offers a miniature train ride with realistic and sudden cannon fire during the journey. If you're looking for a leisurely stroll through the village, you can take a horse drawn wagon ride departing from Cook's Tavern for a 20 minute loop along village streets.

The area offers several dining experiences, including Willards Hotel, which serves historical cuisine from costumed staff. The hotel does serve beer and wine as well. If you want to satisfy your sweet tooth, they serve BeaverTails. These pastries are hand stretched to resemble the tail of a beaver and are served piping hot with your choice of toppings.

For those with kids, the Village offers a family activity center for all kinds of 1860's-style fun. Here kids can learn about historic props, clothing, games and activities, and many of the tools seen during the visit to the village. One of their favorite activities is learning how to write with a quill pen. Little ones can also put on a puppet show.

To remember your trip, you can also dress up in the historical costumes of the time at the Photography Studio, and be taken in an authentic 1860's photograph. In addition to that, the village also offers Canadian crafts such as tinware, yarn and blankets. They also sell historical books, teas, spices, jams and marinades. You can also purchase village bread baked fresh daily, and cheese made from the factory. We hope you will join us for this adventure back in time.

NAFCAre Luncheon Cruise

Ahoy Mateys! Have you put down your reservation for the Tuesday Luncheon Cruise on the "Island Star"? We only had 32 seats to sell and I know two of these Luncheon spots are already reserved. Please don't wait to reserve your spot because we anticipate selling out all seats before the deadline.

The menu is impressive to say the least. As you have seen the full menu in last month's Campfire Chatter. Here

I'll give you the highlights of the meal choices we'll have;

Bread basket; Arcadian salad; entrees to include "Beef Bordelaise"; "Wild Mushroom Chicken Supreme"; "Fresh Ontario Rainbow Trout"; "Mediterranean Stuffed Pepper"; Chef's dessert; coffee & tea. There is also a full service bar for alcohol and soft drinks all to be purchased.

We will be on board our boat for three hours total and beside the cruise and fabulous lunch meal there will be live musical entertainment: Margaritaville a tribute to Jimmy Buffett! Let us not forget the scenery along the rivers we will sail by. What a full time on the water this will Truly will be and one you will not want to miss. The ticket price for food and lots of fun on our cruise is now set at \$85.00 per person which by the way also includes Trolley transportation to the dock and the trolley will be waiting for us after the cruise has concluded to whisk us back to the campground.

I do want to mention seating for the luncheon will be along the outer glass enclosed walls of the dining area as your eating your meal you will also be enjoying the scenery as we cruise along. All seating is reserved for our group.

This very impressive luncheon cruise will not disappoint from start to finish. This is one of the very best trips being offered at this years NAFCAree. I am quite sure this trip may very well be spoken about fondly for years to come in NAFCA circles. Come one and all on our cruise.

Don and Maureen Daniel – Cruise Directors

Reminders for everyone coming into Canada from United States:

Make sure everyone in your traveling party has their passport, including children. Even if you don't get asked for it to enter Canada, you will need it to re-enter the USA. If you don't have a passport, you can get a passport card for only \$30, instead of paying \$110 for a passport book. Note that the passport card is only good for land & sea travel between USA, Canada, Mexico, Caribbean, and Bermuda. If you have AAA, you can get the passport photos for free at any location that offers the service. After you have the passport photos, you can go to the post office to complete

your application. You'll want to give yourself at least 2 months for this so you don't have to pay extra for expedited processing.

Be sure to have your vehicle registrations for both car and trailer (if you

are doing so), along with insurance ID cards for both. They are on the lookout for stolen cars at immigration, so you want to be prepared. Having a declarations page in the glove compartment as

well doesn't hurt.

A special note for MA residents: Since MA doesn't do ID cards, call your insurance company and tell them you will be driving to Canada and need an ID card. Most companies are able to provide you with ID cards for Canada. If your company doesn't do ID cards, keep a declarations page in your glove compartment along with the registration. This will save you a headache if you get asked for an ID card at immigration. If that does indeed happen, this is what to say: "I am a resident of Massachusetts, and in MA they don't do ID cards because insurance is compulsory in order to register a car in MA, so the registration serves as proof of insurance. However, along with my registration, here is my declarations page."

If you are looking to extend your stay in Canada past NAFCAree, Chapter 156, Hands Across the Border, is hosting International Weekend from July 30 – August 2 at Gordy and Tammy Bronson's Orchid, 125 Davis Road, Ogden, Quebec. The information in this article applies for this trip as well if you are crossing back into the United States in between the 2 trips or only going to international weekend. We hope to see you at both trips. In between the 2 trips, I will be going to Niagara Falls, Ottawa, and Montreal. Others have said they will extend their stay in Kingston before going to Ogden.

No "fooling", I am writing my article for April Chatter. That means it must be Spring!

The shows are over, time to tend to the winterized rig and hit the road.

Yep, it's time.

Head out to Otter River April 17-19 and the NAFCa annual meeting at Country Aire April 23-26.

Mass. Co-ord is recruiting new Officers. There are new Officers in NAFCa and lots have been planned.

At our March 14 Mass. Co-ord meeting we vote for the location of the 2021 Winter get-away, accept proposals for the 2021 Mass. State Fall Frolic (to be published in Aug. Chatter) and vote for the 2020 Mass. State Fall Frolic.

Thanks to Kathy Lena we are again going to the Cape for our Scusset Beach Campout in June, we will have our Multi Chapter combined with NAFCa board in August at Travelers Woods. And are busy with plans for our Mass. State Fall Frolic in Sept. in Spencer.

We have new NAFCa members and new potential members checking us out so help them get acquainted and let them join in your events. Please WELCOME them!

Lastly let's all join efforts in camping with friends and having FUN!

side by side"!

Spring has Sprung! Camping is underway! Please be careful out there and respect the Seven C's.

PV8 had it's Winter Carnival on February 23rd. Thank you to Alicia Lyon for organizing this event. By the pictures I've seen all who attended had a blast tubing the slopes at Berkshire East.

PV8 hosted our annual Open House at the Chapter Hall on March 14th. We would like to extend a warm welcome to all our new members. Looking forward to meeting you and socializing and of course gathering around the campfire!

Congratulations to our newly elected officials voted for and installed in a lovely ceremony on March 14th. Thank you to our nominating committee Mike DiMauro Jr. and our election and installation committee Karen and Angelo Zeni.

Save the date for PV8's Conservation Weekend July 31 to August 2.

Respectfully submitted, Nancy Cosby

Hello,

Hope everyone is doing well. Spring is right around the corner.... At least the calendar says so!!

I did see Lenny, Carol, and Lisa earlier today, but was only able to wave to them. Here's hoping Lenny has left the flu far behind him.

I was thinking about what I had written last year at this time, and I could pretty much use some of the same comments. Especially about the weather!!

What I wrote last year - "Well, what a strange winter we've had this year. It's currently raining!! Snow, warm weather, rain, and later tonight - strong winds. Crazy, but this IS New England. You know the saying - If you don't like the

weather in New England now, just wait a few minutes." Yup - crazy New England weather. There is very little snow and a bit of rain coming

Katie did a nice job with the trivia and activities, for the February meeting. It was a Valentine's theme with plenty of candy and hearts as prizes. One of the activities was to name songs with the word love in it; and another was coming up with the title of the song from the clues given. When Katie provided the answers, we often laughed with surprise at the answer or groaned because we missed the answer. The games were a lot of fun.

Carol Robison talked about the NAFCaree and also passed around two sweaters someone had knitted that will be raffled off. There will be more information provided about the raffle, and I think anyone can buy tickets (not just the people going to the NAFCaree). Or maybe both! If we do have a meeting, it might be an afternoon meeting so more people will be able to come.

Guess that's all for this month.

All the best,

Barbara Starr

Spring has already arrived even though the weather is still somewhat off. March 19th is the Spring date so by now we must be in the good camping weather, ain't we?

Those chapter members that did attend the Mass Dinner Dance in January had a great time. There wasn't even any bad Winter weather to contend with over that weekend of January 23-26, 2020. There was a very good crowd of people for the dinner and dance, I was told 80 people attended. There were some great costumes for the theme of "Come Sail Away". You should mark this event down as one not to miss next year.

The chapter said our goodbyes to our good friend and fellow Canvasback member Bucky Lane on February 8th. Bucky along with his wife Nancy, have been long time members of our chapter. Bucky & Nancy joined Canvasback when Charles River #22 disbanded. We have been fast friends ever since. Cards can be sent to Nancy Lane, 242 Oak Street, Natick, MA 01769-1309.

As of this writing the chapter outing at Wadleigh Falls Campground in

Lee, NH is set for the dates of July 1-5 (Wednesday through Sunday). We don't have our weekend plans set yet and you will need to call the campground to make your reservation at (603) 361-7871 (their off season contact number). You may need to leave a call back number. All are welcome to attend. We will be camped in the field, water and electric hookups. There is a dump station, swimming pool, river access, campground activities and we will have a group campfire each evening.

Also in July are NAFCaree 2020 at Rideau Acres Campground, Kingston, Ontario, Canada the long week of July 17-25. See Campfire Chatter for reservation form and deposit info. Reservations all due June 1st.

Next up is the ever popular International Weekend July 30 & 31 – August 1&2 in Ogden, Quebec, Canada. This weekend is put on by Hands Across The Border Chapter #156 and is open to all of NAFCAs. See Chatter for reservation information. Canvasback will be there in force, won't you join us for a fun filled weekend only a short drive into Canada from Vermont. Come one and all!

I hope to see some, if not all, of you out camping with our NAFCa friends. The Canvasback campfire is always welcoming.

Until next we meet,
Don Daniel – Correspondent

At our February meeting we had a serious discussion about the Corona Virus and discovered it was not a problem a Mexican brewery was having with its beer. Since all of us are at a vulnerable age for contracting serious ailments, we vowed to be pro-active in fighting off this new risk. As it was, we had 2 families absent from that meeting. One was recovering from knee surgery and the other was painfully trying to pass a kidney stone. I was wondering if one gets a certificate of completion upon passing a stone or a small trophy verifying

ing that you participated.

Our March meeting took place at Ed and Jan Lacaillades' home. It was held outside in 40 degree weather to prevent cross contamination. We were bundled up in thick winter coats and sat in a circle 10 feet apart from one another. As chapter secretary I did find it difficult to take notes with thick gloves on my hands.

Lee Hart and Charley Bayha are planning a 4 day campout at Quichee Gorge, New Hampshire, possibly in early August and hope other chapter members will join them once they get definite dates. Milt and Annette Baisley aim to cut back on some of the labor involved in camping preparation and have obtained a seasonal site at Nelson's Family Campground (a pretty good campground). We wish them good luck and hope to visit them at their new camping home. The 4-Wheeler's club have again invited Mattabessett to a campout at Brialee Campground in July.

After the meeting, we had something to eat, paying strict attention to our new vow to stay healthy. We all brought quarts of orange juice to drink with our meal. Jan Lacaillade made kale and carrot sandwiches and put them into her microwave to nuke any stray bacteria or virus. She was wearing dump gloves (unused I hope) as she removed the sandwiches from their nuke bath and put them into sterile plastic bags. Jan brought the food outside and tossed it to each families' waiting hands. For those that were still hungry, dessert consisted of sunflower seeds and sprouted wheat kernels.

Happy Easter!!

I'd like to think Spring will be early this year with the couple of warm days we've had.

Our winter was pretty mild, and I really think it may come late with more snow. Let's hope I'm wrong!

The Goodwin's have been pretty busy traveling, and haven't had time to sit down to determine a date for Wolf Den's first meeting of the season to discuss camping dates. Hopefully, by the time you've read this, we've scheduled a date and time.

We're looking forward to gathering our members together to figure out our

summer campouts. Until then, stay warm and healthy!

Hello everybody. So far it has been a pretty mild Winter with Spring on-starting March 20, 2020. We are anxious for Camping to begin. We have talked to quite a few members and everybody is anxious to go camping. We have kept in contact with quite a few members throughout the Winter. Its so nice to do that which I enjoy.

Our first meeting of the season is coming soon. It will be on April 5, 2020 which you will notice is Psalm Sunday. We picked that date because the following Sunday is Easter. The meeting will be at the South Paris Fire house. We will have a Roast Turkey Dinner with all the fixings, hosted by Roberta White. Please reserve your seat so she will be expecting you. Also be prepared to pay your Lot dues and membership is also due. Also a reminder on May 2 a Saturday will be Lot Assignment Day. If you decide to change your lot and cannot attend, please have someone represent your voice for you. There will be a Dinner that evening at 5:00pm.

Here's hoping the snow holds off. From what I am told the Campground has about 7 inches on the ground. Brian Hodgdon is my weatherman. A birdie told me Rita Taylor has a new Camper, good luck with it. My Crocus started growing about one inch, but our temperature is only 20 degrees. This happens every year.

Well its time to close for now, stay warm and healthy, see everybody at April meeting.

Sincerely, Doris Mitchell

longer and the weather is taking on a warmer tone. I can almost smell the spring in the air.

We, of P.V.A. had our annual pre-spring meeting February 29th. We met at the Governor's in Old Town for a wonderful meal and great conversation. It is so nice to catch up after the long winter. It's when many of us pay our dues and lot rent as our treasurer, Shelda is always prepare to get us all taken care of and she can give out our receipts without having to mail them and waste the postage. Also new ideas are kicked around for the up coming season. Like maybe some road trips to some of the local wineries for some tastings or maybe greenhouse shopping trips. Okay, maybe these are just a few of my personal favorites. Let's hope March comes in like the lion and goes out like the lamb and we can make it an early opening.

So after seeing everyone I'm more excited than ever to get out to our little camping spot on Hudson Stream. Hope to see you all there.

ROSIE O'DONNELL'S MARSH-MALLOW MUD SQUARES.

Submitted by Dena Rickson

2 cups sugar
 1 cup shortening
 4 eggs
 3 tsp vanilla
 1 ½ cup flour
 1/3 cup cocoa
 1/3 tsp salt
 1 (6 ½ oz) bag mini marshmallows
 Frosting
 2 sticks butter, room temperature
 ½ cup cocoa
 1 box powdered sugar
 1 tsp vanilla
 ½ cup evaporated milk

Preheat oven to 300°. In a medium bowl, add sugar and shortening and cream together. Add eggs and vanilla and beat 30 seconds. In a separate bowl, sift the flour, cocoa and salt together. Add to the mixture and beat until well combined. Pour the mixture into a greased and floured 9 x 13 inch pan. Bake for 35 minutes. Make the frosting while the cake is baking. Beat together the butter, cocoa, powdered sugar and vanilla. Slowly add the milk. Set aside. Once cake I baked, remove pan from the oven. Spread the marshmallows on top of the cake and return the pan to oven for 5 more minutes. Remove the pan from oven and cool for a few minutes. Evenly apply the frosting. Allow this to stand for 2 hours before cutting into squares.

Note: if the marshmallows are too hot, the frosting will sink right through. The frosting should be the top layer. It will darken once it hits the heat of the cake.
