#TakeaYB2Rendezvou

The time is finally here, Voyagers Territorial Rendezvous! I hope you are all well and doing good. I for one am glad we will be back out in the woods for an opportunity to fellowship. In my "down time" I've been getting my truck ready; mending moccasins, patching pants, and making plunder for trade. Our Scribe Mark "Pine Wood" Craft has put together a great packet with all the information you need to know and exactly what to expect. There will be so much to do that you won't be able to do it all. Take note of the competitions and all the other activities that are available.

I'm praying for the Holy Spirit to prepare our hearts and minds for a great outpouring during the council fire services. Our friend John "HighLand Spirit" Robinson will be sharing God's word at the evening services and our National Scout Brent and Territorial Scout Daniel will be sharing during the morning devotions. I ask you to come ready to hear from the Lord.

Put in for time off now, get your plunder ready, pack your truck, pick up some young bucks on the way and meet us at Friendship so we can "share the warmth and glow of this campfire".

General Camp Information

Arrival: Campers will strive to clear vehicles from the camp area in a timely manner. Upon arrival campers will unload gear, move vehicles to designated parking areas, and then return to camp for camp setup. All campers are expected to remove vehicles from camp within 1 ½ hours after arrival. This is for the convenience of all campers and will ensure that everyone has an ample opportunity to get settled into camp without being hindered by an excessive amount of vehicles. Vehicles will not be allowed in camp during the event. This will help add to the authenticity of the event as we will be taking pictures periodically. Thank you for your cooperation.

Departure: After camp, please have all gear ready to load into your vehicle prior to bringing your vehicle into camp. Quickly load and take your vehicle back to the parking area in order to allow space for all campers to load their gear.

Water: Water will be available onsite.

Firewood: Firewood will be available for purchase or bring your own.

Leaders: Below is Letter to Educators to help get your boys out of school to attend Rendezvous.

6/21/2021

Greetings,

Please allow me to introduce myself, my name is Rick Dostal. I volunteer with Royal Rangers, a national mentoring program for boys. Within Royal Rangers is the Frontiersmen Camping Fellowship (FCF) an advanced program which gives boys from sixth grade through high school the opportunity to develop specialized outdoor skills based on the lore and traditions of the early American frontiersman. It also allows him to learn about the history of our nation through the venue of "living history or historical reenactment" such as is used at places like Colonial Williamsburg, National Parks and other historic sites throughout America.

Boys in FCF wear period clothing from the 1700's through the early 1800's spend an entire weekend and in some cases a whole week practicing skills and lifestyles from the Colonial period through the Mountainman era. It is a unique learning experience for them that often sparks an interest in Social Studies and History. In many ways FCF is a laboratory setting for boys to see what life was like in an earlier era of our American history.

FCF is sponsoring a week-long camp for our boys throughout the region (Michigan, Ohio, Illinois, Kentucky, and Indiana, and some surrounding areas) to converge on October 7-10, 2021 at Friendship, Indiana to participate in a Rendezvous with a huge Frontier Village with scores of fellow FCF'ers.

This is where I need your help, as some of our boys are in your classes. Our request is they are excused from class as early as 10/4 and through 10/10 to attend this Living History Event. They, of course, would still be responsible for any class work assignments. I know they would appreciate your support in such a unique educational opportunity.

We also often do historical reenactments for our community; at schools, organizations and other venues should you or someone you know ever be interested. If I can be of any assistance to you or provide you with additional information, feel free to contact me.

Sincerely,

While we try to teach our children about life, our children teach us what life is all about.
