### // Honeycomb Shades Cellular Shades

## EASY ELEGANCE FOR YOUR LIFE'S STYLE

The mainstay of classic design, Honeycomb Shades and Cellular Shades adapt from traditional to modern, bedroom to living room. With high-performance fabrics, a wide spectrum of colors and neutrals, and multiple control options, you are playing with the pros.

### IDEAL FOR...

- Energy efficiency. Unique cellular construction insulates your rooms from temperature extremes
- Sound modulation. Fabrics help absorb sound for more comfortable rooms
- Larger windows and doors: up to 174" wide
- Easy maintenance. Easy-care fabrics
- Versatility. State-of-the-window operating systems
- Enhanced child safety. Cordless and motorized options eliminate dangling cords

## HIGH TECH, LOW STRESS

We embrace innovation. Our convenient automation options allow you to operate your shades and blinds with a hand-held remote, smart device, or even the sound of your voice. How's that for taking control?

## // Sheer Shadings

### SHEER BRILLIANCE

Imagine blending the beauty and softness of a sheer with the function and convenience of a blind. How genius is that? Three vane sizes suit the scale of any window, up to 120" wide. Vertical Shadings coordinate sliding doors with windows.

#### IDEAL FOR...

- Letting in natural light
- Softening harsh sunlight
- Optimizing your view
- Maximizing your privacy
- Reducing the sun's heat
- Guarding against UV damage

## // Roller Shades

### SINGULAR SENSATION

Our diverse collection of screen, decorative and blackout fabrics multiplies our design styles into hundreds of solutions.

#### • ROLLER SHADES:

A minimal look with UV efficiency is their hallmark. Unbeatable style and performance is their legacy. Exterior shades available.

#### • PANEL TRACK SHADES:

Coordinate your window roller shades with panel track shades on your sliding doors. With a gentle nudge, the vertical panels slide and stack neatly.

#### IDEAL FOR...

- Virtually any room and decor

## // Dual Shades

### AMAZING INNOVATION

Contemporary and cool, Dual Shades practically float with purposeful ease. Fabric bands glide past each other allowing for varying levels of light control, view-through and privacy. For heightened privacy or filtered sunlight, this single shade will cause a double take.

#### IDEAL FOR...

- If you love the contemporary look of roller shades, but want a view + privacy + UV protection all in one
- If you need choices – multiple band widths and a profusion of neutral hues available

## // Natural Wovens

### NATURALLY CHIC

Both elegant and exotic, Natural Woven Shades are the go-to for interior designers world-wide. Organic fibers, from jute to rattan and bamboo to wood, bring global texture and international style right to your very own zip code.

#### IDEAL FOR...

- Transforming light with textures and patterns
- Sun rooms, casual décors or rooms with exotic appeal

## // Wood Blinds Faux Wood Blinds

### CLASSIC REFINEMENT

Let the traditional look of wood warm up a room with two distinct options:

#### • WOOD BLINDS:

Our natural wood blind slats are carefully finished to bring out the grain's inherent beauty and natural appeal.

#### • FAUX WOOD BLINDS:

Constructed of durable, improved temperature performance materials for moisture resistance, durability, longer life, and cost efficiency.

#### IDEAL FOR...

**Wood Blinds**

- Timeless style
- Stately privacy

#### Faux Wood Blinds

- Kitchen, bathroom or laundry room
- Kids' rooms
- Care-free upkeep

## // Eclipse® Shutters

### BOLD TRADITION

The classic charm and low-luster finish of Eclipse® Shutters mimic the look of a premium painted shutter. Tougher than your kids, louvers won't chip, warp, peel, or fade. Backed by a 25-year warranty – with no back talk.

#### IDEAL FOR...

- Any room or décor
- Healthier peace of mind for kids' room and nurseries – GreenGuard Gold® Certified
- Easy clean up with mild soap and water

## // Aluminum Blinds

### MODERN METALLICA

Uniquely modern, vintage and industrial-pro all at once, Aluminum Blinds add a sleek, metallic vibe to a kitchen or man-cave. A simple twist of the wrist opens up the view or closes to privacy. Choose from a rainbow of colors, and you have instant design on a dime.

#### IDEAL FOR...

- Mud rooms and laundry rooms
- High privacy with low maintenance
- Easy operation
- Large windows or sliders. Hang 2 or 3 blinds on a single headrail

## // Vertical Blinds

### EXPANSIVE STYLE

Vertical Blinds can create—or accentuate—the feeling of space and height. With the twist of a wand, transform harsh sunlight into a softened twilight. Our versatile vinyls and decorative fabric styles offer easy design solutions on a big scale.

#### IDEAL FOR...

- Sliding glass doors or large windows
- Effortless operation and easy maintenance
- Longevity. Our heavy-duty headrail system keeps vanes permanently aligned over and over again
- Directional light and privacy control
