Dear Mr / Mrs,

Thank you for choosing Lakeland Legacy to help honour the memory of your loved one through our ash-scattering service. This letter outlines the essential terms under which we provide our service. By entrusting us with your loved one's ashes, you agree to the following terms:

1. Authorisation:

By providing the ashes to us, you confirm that you have the legal right and authority to direct the scattering of these remains. You affirm that you have obtained consent from any other family members or beneficiaries of the estate who hold an interest in this matter.

2. Acknowledgment of Potential Risks:

While we take great care to perform each scattering with dignity and professionalism, various factors can impact the outcome of our services.

You acknowledge and accept the following potential risks:

- Environmental Factors: Water and weather conditions may affect the scattering or make it unsafe to proceed on the scheduled date. We reserve the right to reschedule if safety is a concern.
- Video and Equipment Limitations: We endeavour to capture quality footage for those observing from shore. However, factors such as water droplets on the lens, equipment failure, or low visibility due to environmental conditions may impact video quality.
