INSTALLATION

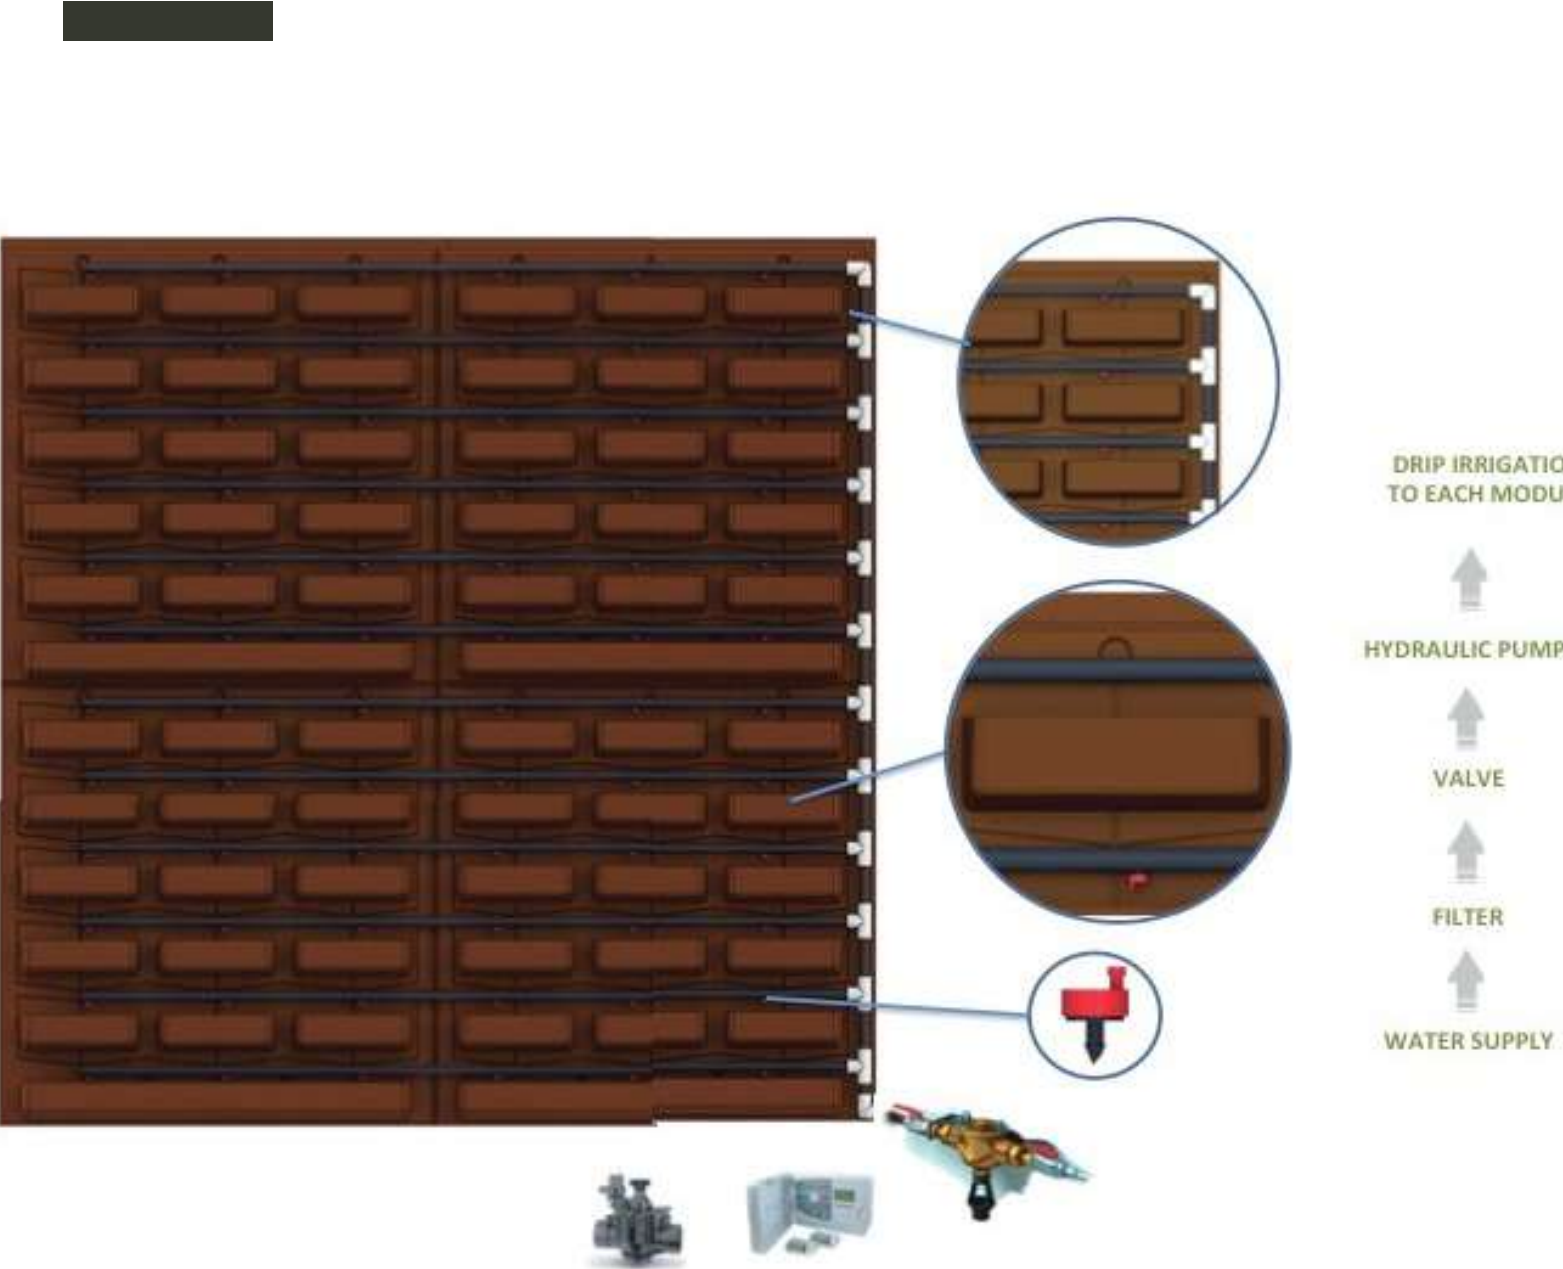

2. WATERPROOFED  
FIBER GLASS PANELS

3. DRIP / SMART  
IRRIGATION

4. EXCELLENT FOR  
BOTH INDOOR  
/OUTDOOR  
APPLICATIONS

# FIBER GLASS GREEN WALL PANELS

# IRRIGATION DETAILS

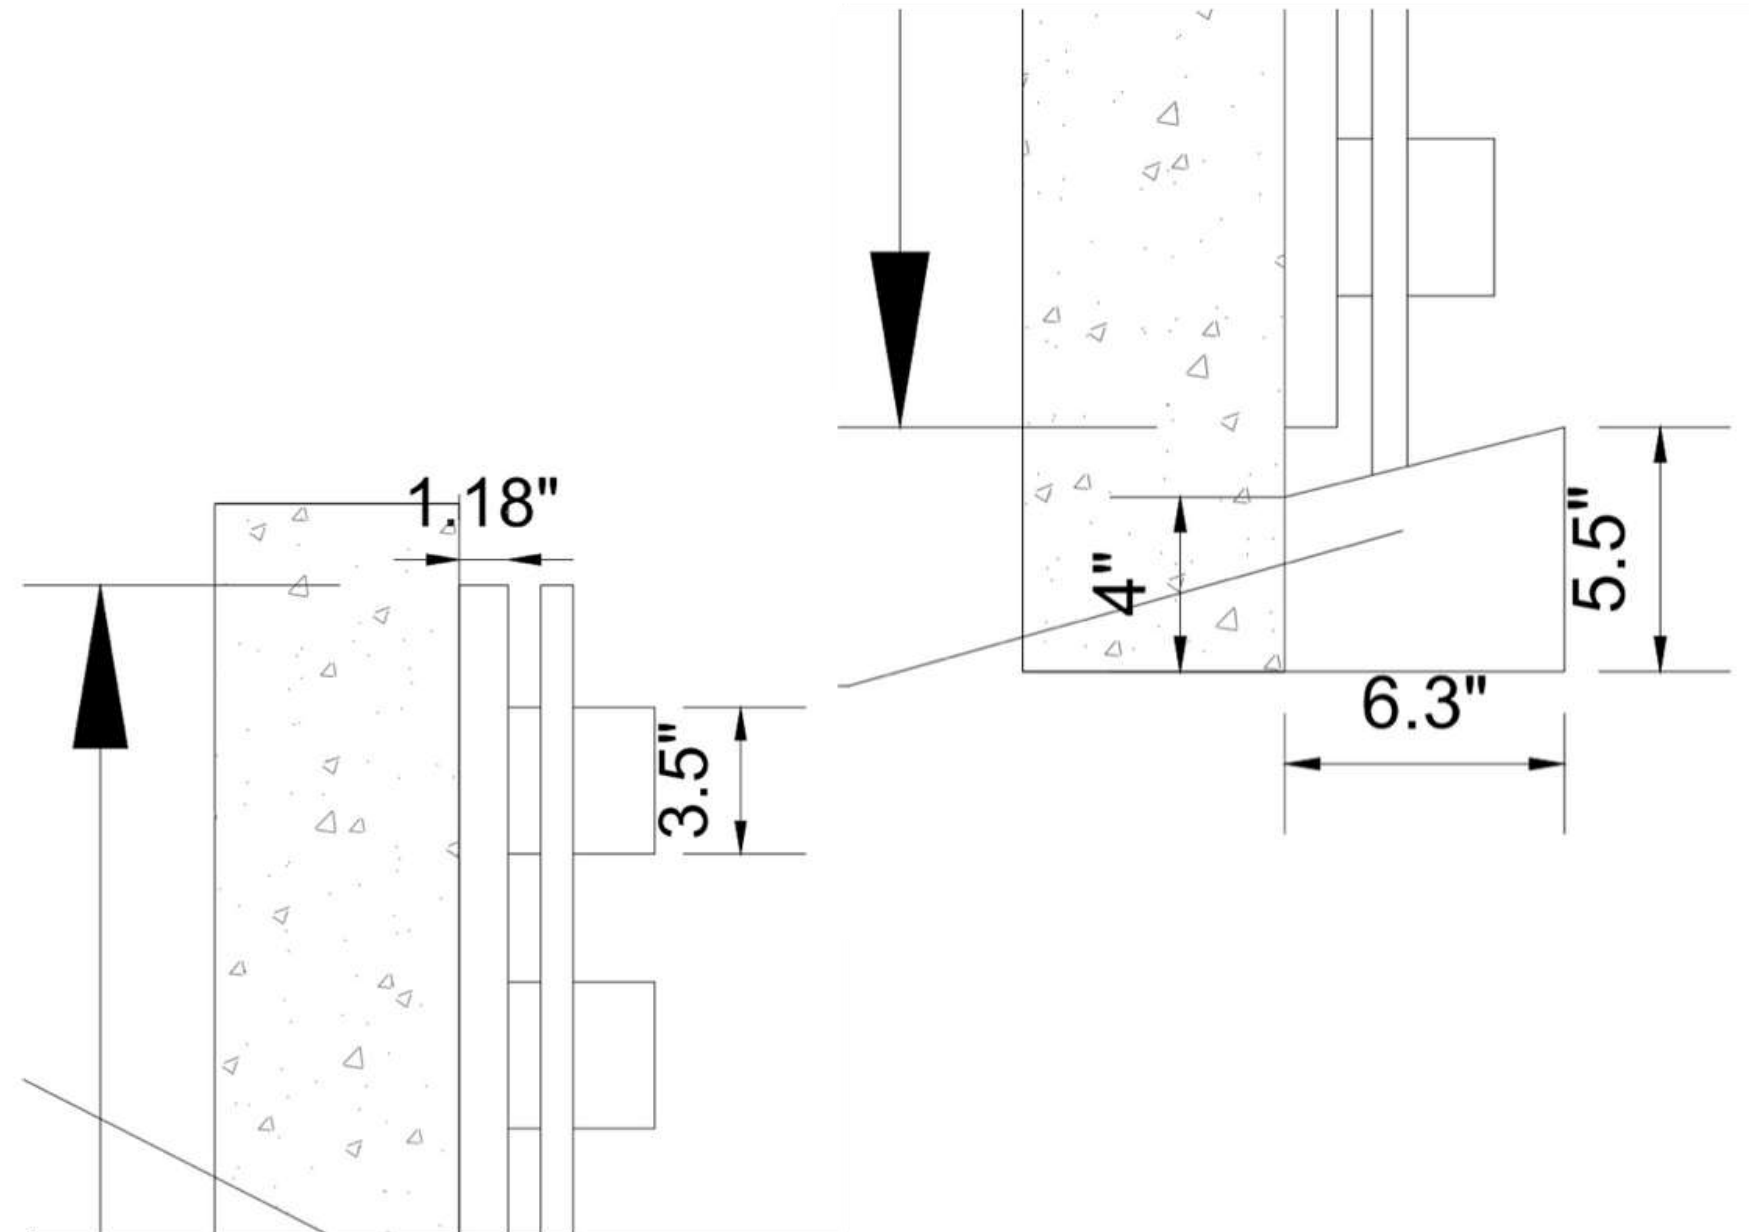

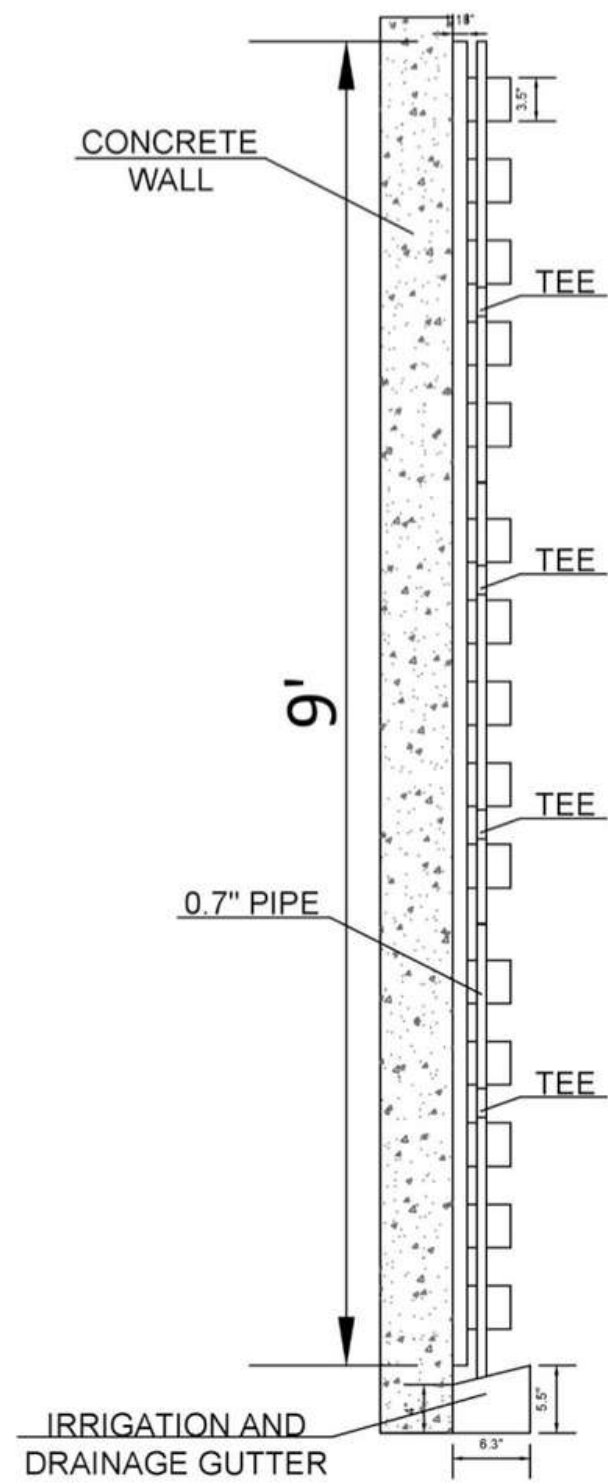

## DRIP IRRIGATION SYSTEM

For Green Wall irrigation system we use drip lines on the fiber panels.

Irrigation and nutrients is supplied by the drip pipes built in the structure
