Re: Piggyback Agreement for Disaster Debris Removal Services

Dear Ms. Fuentes:

I am writing this letter on behalf of the Village of Lazy Lake. As you know the Village entered into the Piggyback Agreement with DRC Emergency Services in June 2022. The Agreement expires on December 30, 2022. However, the Village has the right to renew the Agreement for an additional year with notice. Pursuant to the Agreement the Village would like to renew the Piggyback Agreement, attached hereto, for an additional year, effective on December 31, 2022 and terminating on December 30, 2023.

I would appreciate if you would please execute the acknowledgment below and return to me at your earliest convenience.

Thank you for your services to the Village.

Sincerely,

Richard Willard, Mayor
