

Steven J. Schmidt -- Short Bio

Steven J. Schmidt, Sally Ordway Commitment Award winner recognizing his lifetime achievement, contribution, and leadership in the arts (<https://youtu.be/uEYSBOPsbsk>), is a Midwestern singer/songwriter who has written hundreds of songs, and each one is like a bottle of fine, bourbon barrel-aged stout. He performs his rich, full-flavored original tunes, crafted over the last fifty years, at house concerts, coffee houses, brew pubs, wineries, and festivals. A highly skilled guitarist some refer to as “a folkie with chops,” Steve is noted for his fingerpicking, novel chord voicings, use of alternate tunings, and playing up-the-neck.
