

Thank you for wanting to be a part of the Forever Pink Foundation Junior Volunteer Advisory Committee. The mission of Forever Pink Foundation is to positively impact Kearney and the surrounding communities by providing focus, support and resources to financially and emotionally assist those battling breast cancer.

Volunteering has numerous benefits such as:

- Meet and work with those who are different than you, including other volunteers.
- Understand the needs of others in your community.
- Gain confidence and learn new skills.
- Strengthen your community with your involvement.

High school students volunteer as a way to gain experience for jobs. Over 60% of students want their work to make a difference. Your generation is becoming known as the “Philanthro Kids” because of your zest for life, your energy, and your awareness of social, environmental, and global problems prevalent in our world today.

Throughout the year Forever Pink Foundation hosts a number of events to raise money and awareness for breast cancer. They include but are not limited to the following:

- ‘Get Teed off at Breast Cancer’ Golf Tournament, October 3, 2020
- ‘S.O.S.’ Steps of Support for Breast Cancer Walk, October TBD, 2020
- April Fool’s Day Happy Hour, April 1, 2020
- Cards for a Cure, June 18, 2020

Each of these events take time and volunteers to be successful. With your assistance, we can play a major role in helping to make a difference in the lives of breast cancer patients.

In the fight,

Maddie Wegner
Quinn Holmes
Alec Sawicki
Loralea Frank, Junior Volunteer Advisory Committee Advisor
