# As a doctor, Mayor Brad Cohen knows what it takes to protect our residents from COVID.

- Stopped the spread of infection by requiring local businesses to shut down before the rest of the state did.
- Reduced the rate of infection among township employees by shutting down municipal government early, keeping our insurance costs down and protecting taxpayers.
- The East Brunswick Police Department launched the Blue Delivery Program to provide seniors and disabled residents with weekly grocery assistance.

Thanks to the Cohen Team's leadership, East Brunswick now has one of the lowest infection rates in Middlesex County.

**RE-ELECT** Brad Cohen **FOR MAYOR**

**RE-ELECT** Michael Spadafino **AND**

**RE-ELECT** Sterley Stanley **FOR TOWNSHIP COUNCIL**
