Here is a wonderful opportunity to support young women in Northwest Ohio. Lady Irish Fast Pitch Softball, Inc. is a 501(c)(3) non-profit organization seeking sponsors, advertisers and “patrons” to help defray rising costs and help us continue to provide the best softball experience for our athletes who range in age from 8-23. Those interested in furthering our cause would have their company information prominently displayed in our “Profile” (website, social media and player profile forms). Fifty percent of the money a player raises will go directly to offsetting her player fees. A player can earn up to 100% of her fees through your sponsorship. The remaining proceeds will go towards covering the high cost of annual practice facilities (indoor and outdoor), tournament entries and travel costs to National tournaments.

The Lady Irish is dedicated to the growth of girl’s, fast pitch softball in Ohio, Northeast Indiana, and Michigan. Playing with the Lady Irish provides young women valuable exposure to competitive fast pitch softball, one of the fastest growing sports in the world today. Their participation gives them the opportunity to not only play at a highly competitive level, but also to build their self-esteem, character, as well as helping them grow into well-rounded adults.

**** SPECIAL NOTE ****

All “full sponsorships” are due not later than **15 January 2019**.

All ads requiring print are due not later than **1 March 2019**.
