Teams must be at the field and ready to play 10 minutes prior to the scheduled start time. Games will start early if possible.
7. If an official protest is to be filed, the umpire and the official scorer must be notified before the next pitch (play). *Current game situation, strike count, base runner positions, and game time must be recorded by the home book.* Play will then resume under protest. The protesting team must immediately send a team representative to the Tournament Director. Failure to take these actions immediately will result in the protest being overruled. If all steps were followed, the Tournament Director will rule on the protest.
 - 7.1. If the protest is granted, play will cease and the game will be resumed from the point of the protested call.
 - 7.2. If the protest overruled, play continue at its current spot.
