

# Indoor Tournament Rules

**Thank you for your participation, below are the rules.**

**We will utilize ASA/USA rules for this tournament, with a few modifications. *Please read all carefully.***

This tournament is set up for each team to play 2 pool games. Teams are then entered into single elimination brackets based on pool play outcome. Depending on the number of teams in each age bracket, it is possible there can be a 1<sup>st</sup> round bye to establish brackets. There may be layered divisions within an age group for bracket play (ex: Platinum bracket, gold bracket, etc...)

## **COACHES/ADMINISTRATIVE/CONDUCT:**

5. All facilities have rules pertaining to pets, grills, and use of the facilities. The Tournament Director does not have the authority to make changes, grant waivers or alter these rules. It is the Coaches, parents and fans responsibility to know and adhere to facility rules. **No pets or grills allowed in the dome.**
6. Game results must be reported to the Tournament Headquarters immediately following the completion of your game. Coaches will submit scores via text to **(419) 540-2136**.
7. Teams playing an extra pool game (if necessary) will not have the runs scored or allowed, nor the win/loss counted toward their seeding. If playing an extra game, the last game listed on the schedule for the team playing the extra game will be the game that does not count.
8. The tournament reserves the right to change the schedule or format as needed. Any changes will be sent via the online tournament system.   - 4.2. Teams are permitted to bat their entire roster. If you are batting all your players, you are allowed free defensive substitutions and may use last batted out as a courtesy runner. If a team bats its entire lineup and an injury occurs, an out will **NOT** occur when that batter’s spot comes up, as long as the team doesn’t fall below 9 batters in its line up.
  - 4.3. If a team has any substitutes on a lineup card, the substitutes are to be used as a courtesy runner instead of the last batted out. An alternative to 4.2, teams may instead choose to bat 9, or utilize the DP/Flex. In this case, courtesy runners **MUST** be a substitute not already entered into the game, if there is a substitute listed. Standard substitution rules apply.
  - 4.4. In either case, courtesy runners may run for a pitcher or for a catcher but may not run for both in the same inning.
  - 4.5. Players may **NOT** be added to the line up card after it is accepted as official by the umpire or after lineup cards have been exchanged between coaches.

6. A team not on the field ready to play at game time forfeits that game unless granted an extension by the tournament director for good cause. Forfeited games that were not played will be scored 7-0 for the winner. Teams must be at the field and ready to play 5 minutes prior to the scheduled start time. Games will start early if possible.
7. Games that are retroactively forfeited due to other infractions will be scored as below;
  - 7.1. If the team who forfeited the game lost the game, the final score will be entered.
  - 7.2. If the team who forfeited the game won the game, the final score will be entered 7-0 for the new winner.
8. If an official protest is to be filed, the umpire and the official scorer must be notified before the next pitch (play). *Current game situation, strike count, base runner positions, and game time must be recorded by the home book.* Play will then resume under protest. The protesting team must immediately send a team representative to the Tournament Director. Failure to take these actions immediately will result in the protest being overruled. If all steps were followed, the Tournament Director will rule on the protest. Judgement calls will not be ruled on by the tournament director. Only rules interpretations or application may be ruled on by the tournament director.
  - 8.1. If the protest is granted, play will cease and the game will be resumed from the point of the game the protest occurred.
  - 8.2. If the protest is overruled, play will continue at its current spot.
  - 8.3. A \$100.00 fee will be collected in advance of any decision. The fee is refundable if a ruling is made in favor of the protest.
9. All balls hitting the roof of the dome, or any other overhead obstruction, will be a dead ball, foul ball.
  - 9.1. Exception: Any batted ball hitting the roof of the dome in fair territory, and subsequently landing beyond the outfield fence in fair territory, will be a home run.
  - 9.2. For field 1 at The Dome - **any ball landing on top of or going over the batting cages in left field is a home run.** This does not apply to field 2 or to any field at Total Sports.
10. **8U ONLY RULES** - applies to both pool play and bracket play.
  - 10.1. 30 foot pitching distance
  - 10.2. No infield fly rule
  - 10.3. No drop 3rd strike rule
  - 10.4. No stealing. This includes pass ball, delay steal, and straight steal.
  - 10.5. No bunting when/if there is coach pitch.
  - 10.6. If a coach interferes while pitching or gets hit by the batted ball, batter is out and runners return to the base at the time of the pitch
  - 10.7. 4 balls on batter and then batter's coach pitches the remaining strikes. All pitches thrown by coach are called balls or strikes. The offensive coach will pitch for their team.
  - 10.8. Base runners must be at the halfway line between bases when ball is in the pitcher circle to be able to advance to next base.... Or they must return to last base touched.
  - 10.9. Runs allowed per inning. Team may score 6 runs per inning. Team may tie the score and score an additional 5 runs. (Example: Team B is trailing 9-3 and is at bat. They score 6 runs to tie the score. They may now score an additional 5 runs. Example 2: Team A is ahead 5-4 and is at bat. They may score a total of 6 runs during their at bat.)
  - 10.10. Runners may lead off on the release of the ball by the pitcher.
  - 10.11. If pitchers are struggling to pitch strikes, she does not have to pitch 4 balls for the coach to come in to pitch.

11. Speed up the game: To speed up the game and allow for maximum play during the reduced time frame, the following additions will be made:
  - 11.1. Pitchers will get 3 warm up pitches for the first inning, 1 warm up pitch for all remaining innings. New pitchers to the game will get 3 warm up pitches.
  - 11.2. Mounds visits will be kept short and enforced by the umpire. 30 seconds is the goal.
  - 11.3. Hitters must keep one foot in the box at all times while taking the signs.
  - 11.4. Umpires have the discretion to determine if a team is intentionally stalling. If it is determined that an offensive team is intentionally stalling, a strike may be awarded to the batter. If it is determined that a defensive team is intentionally stalling, a ball may be awarded to the batter. These penalties may be repeated, at the umpires discretion, for continued stalling tactics. We are all here to play the game with class and sportsmanship. Stalling is a technique used frequently in time limit games, but with the very short time limits on indoor tournaments, we're asking that you DO NOT implement this strategy. Just play the game.
  
12. There are only 5 minutes scheduled between games. NO on-field pre or post game huddles. Please shake hands and exit the field and dugout areas immediately at the end of the game. We are relying heavily on coaches and umpires to expedite the transition between games. There are a couple of occasions where a team has to switch fields to play the next game back-to-back. We will be patient while trying to hurry! Incoming teams can stage equipment at the end of the dugout for easy and quick transition for the next game. Please talk to your players and help us keep the schedule on track.
  
13. As with most indoor tournaments, there will be limited warm-up space. Please exercise extreme sportsmanship while sharing warm-up space available. There may be 4 teams warming up for the next set of games, and we do have 2 batting cages available. Please share. Limit your time inside the cage to 25 minutes. We will monitor and expect that teams are rotating in and out around the 1/2 way point between games. Please use sportsmanship here.
  
14. We have ~200' outfield fencing. It is strongly encouraged for spectators to watch from the outfield fence. Any fan, parent, player, coach or other spectator found pushing down the fencing to improve their view will be ejected from the facility with no refund, no return allowed. The coach for the team involved will also receive their first official warning. Second game warning for any reason will result in ejection from the tournament. The fences are both a safety factor as well as giving the girls a home run goal. Pushing down the fencing for spectators to improve their view not only damages the fences and lowers the home run mark, but could increase the number of balls exiting the field of play which could be a danger to spectators. We invested in new fences for the 2022-2023 season. To help maintain the value and effectiveness of the improved fencing, we will enforce rules that involve spectators damaging the fences. These should last for many years if they are taken care of, so please help us provide your players the best experience by helping take care of the fences.
