Please reference the online schedule for the most recent updates.*

TriplePlay is a local, veteran owned business. We specialize in sporting goods, equipment, uniforms, apparel, and custom apparel items, as well as our softball and baseball training center.

Sporting Goods: We have access to all the gear you need for whatever sport you play. From bats to balls, shoulder pads, shin guards, or whatever else you need, we can supply it for your team.

Apparel: We have access to many of the brands you know and love in a wide range of prices. Besides embroidery and full custom designed printing, we also have the ability to sublimate your uniforms or select spirit wear items.

Spirit Wear: At TriplePlay, we do things a little different. We will set up a Spirit Wear store online where your fans can purchase their gear. Of course we can meet in advance to select items you specifically want to be on the store, and we'll make some recommendations as well. Then you'll set a deadline. When the deadline arrives, we'll close the store and process the orders. After we process all the orders for your fans (usually takes 24-48 hours), we will reopen the store with only items that are readily available, **and keep it open all year!** Why limit your fans to only 2 weeks of order availability? After all, you want your fans representing you and your program in all seasons!

We are very up front with supply chain and availability. It's 2022, but the world is still suffering from the after effects of the global pandemic. Supply chain is still impacted and availability is still suffering with some items. We will steer you to items that are available and not promise you something we can't deliver. If we just can't get it, we'll tell you in advance.

We also offer an incentive program, which will provide you "free" apparel based on a percentage of your team's or school's total purchase. You can select the gear for your coaching staff, for a volunteer who labors so many hours to assist you, or for whatever or whoever you choose.
