

So that more Jewish children with special needs have an opportunity for a Jewish Day School education, the Shafner-Oderberg family has established the **Gabe Oderberg Memorial Keshet Scholarship Fund.**

It is our desire that our cherished friends, families, and communities continue to carry out good deeds, acts of *tikkun olam* - תיקון עולם, as we remember and honor this extraordinary young man. In doing so, we request that you support Keshet of the Rockies, in Gabe's memory, now and for generations to come.

*“He expressed compassion for and a deep understanding of others’ situations...and was a role model to hundreds...in multiple and diverse communities. He had an extraordinary gift to reach people in ways that were well beyond his years. He taught by example in his acts of kindness and good deeds and was adamant in his resolve that we are all obligated to love and support one another, always...”*

*(quoted from Abbi Levine-2004,
