Still Searching for More Participants! (Victims)

MVPASD: The New Military Vehicle Community in San Diego County

MVPASD is quickly becoming the newest gathering point for military-vehicle owners, restorers, and enthusiasts across San Diego County. Whether you're into historic rigs, modern tactical vehicles, or just love the engineering behind them, this community is built for people who enjoy the hobby and want to connect with others who share the same passion.

Why We're Reaching Out

We're growing fast—and we want more people who appreciate military vehicles to join the fun. Our goal is to build a strong, active network where members can:

- Share restoration tips and technical knowledge
- Show off their vehicles at meetups and events
- Connect with other collectors and hobbyists
- Help preserve military vehicle history in our region

Help Us Expand the Motor Pool

If you know someone who might be interested, please pass this newsletter along. The more enthusiasts we bring in, the stronger and more vibrant our community becomes. And yes... once they join, they'll become our newest "victim"—in the friendliest, most good-natured way possible.

Upcoming Possibilities. Let us know if you're interested in attending!

La Mesa Cruise Night

Thursday Evenings we are invited to display at La Mesa Lumber Parking Lot after they close at 4:30 pm on the following days.
