

Johnson & Johnson

The Experience of the Past with a Vision for the Future

Welcome to Johnson & Johnson

J&J is the #1 choice for providing insurance solutions.

Founded in 1930, Johnson & Johnson, a family owned and operated business, has the experience of the past with a vision for the future. Our business is built on a foundation of long-term relationships with our agents and companies. We are a technology and service driven sales organization committed to writing business with our agency partners. We are embedded in your community with state and territory managers allowing us to better understand your needs and to help grow your business.

Value Added Services Johnson & Johnson Brings to Our Partner Agencies:

✓ Online Rating & Binding

With online capabilities including rating, binding, policy documents, payments, and claims reporting, we are the #1 choice for providing insurance solutions.

✓ Direct Bill

Our billing procedures have shown a 10-point positive impact on retention, resulting in financial savings to our partner agencies and no time spent collecting premiums!

✓ IVANS Policy Downloads

Being one of the few MGAs that offer IVANS Policy Downloads, we provide labor savings to independent agencies.

✓ Industry Leader in Technology

Our proprietary home-built technology system allows J&J to make quick changes in technology enhancements.

✓ Automatic Finance Agreements

We remove the burden of generating finance agreements on E&S business. All J&J quotes automatically come with a Finance Agreement through our wholly owned finance company, JJPF. Pre-cancellation phone calls and text messages sent to the insured on your behalf provide support directly to your agency team, reducing policy cancellations while saving you both time and money!

The Experience of the Past with a Vision for the Future

We are a passionate, team-oriented family celebrating successes together.
