

GB Aggregates (Holdings) Ltd – Landfill Tax Commitment Policy

At **GB Aggregates (Holdings) Ltd**, we recognise our responsibility to operate in full compliance with all landfill tax legislation and to contribute to the reduction of waste sent to landfill through sustainable waste management practices.

Our Commitment

GB Aggregates (**Holdings**) Ltd is committed to:

- **Complying fully with the Landfill Tax Regulations** as set out by HM Revenue & Customs (HMRC) and any other relevant legal requirements.
- **Ensuring accurate classification and reporting of waste**, correctly applying standard and lower rates of landfill tax where appropriate.
- **Minimising the amount of waste sent to landfill** through reuse, recycling, and recovery, prioritising waste diversion in line with the waste hierarchy.
- **Working closely with clients, contractors, and suppliers** to encourage best practice in waste segregation, recycling, and recovery.
- **Maintaining clear and transparent records** to demonstrate compliance with landfill tax obligations, and cooperating fully with any audits or inspections.

- **Investing in staff training and awareness**, ensuring all employees understand the importance of accurate waste classification, documentation, and handling.
- **Seeking continuous improvement** in waste management practices to reduce our environmental impact and financial exposure to landfill tax.

Implementation

This policy is communicated to all employees and relevant stakeholders and is available to the public via our website (www.gbagggregates.com). Our management team will ensure its effective implementation through clear responsibilities, provision of resources, and regular monitoring.

We are committed to reviewing this policy annually and updating it as required to reflect any changes in legislation or our business operations.
