

Southampton FC
Guide for Visiting Coach Drivers:
2024-25 season

If you're bringing away fans to St Mary's, we want to ensure you have a smooth and trouble-free visit.

Away fans are in a different location within the ground this season, so the parking arrangements for away coaches have changed. Please follow the instructions below:

Approach via St Mary Street (at Central Hall), then Chapel Road and Granville Street.

Satnav: **S014 1NF**
What3words: **\\labs.silly.trip**

From Central Hall, continue along St Mary Street, which then becomes Chapel Road. Cross over the level crossing and take the first left turn into Granville Street.

CES stewards will meet you at Granville Street and guide you to your parking spot.

We will give you a label to display in your windscreen - this will ensure you don't get a parking ticket.

Please **do not arrive more than 2 hours before kick-off.**

If you arrive in Southampton any earlier, you will need to park in the city centre until 2 hours before kick off (we can recommend options if needed).

At the end of the match: put on your hazard lights to let us know you're ready to move.

You must not move until directed by CES staff. You will be directed away from the ground via Marine Parade and Britannia Road on to Northam Road.

We're here to help. If you need anything during your stay, please approach one of our staff - we're the ones with orange 'CES' jackets. For advice before your visit:
