The recent train derailment in town has got us  
thinking about our Emergency Plan. One of the  
items we would like added to the plan is a list  
of resources in town. In the even of an  
emergency, is there anything you would be  
willing to donate or let us use? This would  
include cooking meals, providing blankets,  
generators, vehicles for transportation, or  
equipment. If you would be willing to include  
your name on the list, please give the Village  
Office a call
