

Hurricane's mountain bike team, the Flying Tigers had another great season. Over 60 athletes and 40 adults gave their time, sweat, tears, and blood to make our season a huge success. The season was full of smiles and new challenges which helped us grow and we look forward to sharing it with even more athletes this year.

We want to thank our 2021 SPONSORS:

Hurricane Rotary Club	Winder Towing	Zion Window Fashion
Stout Home Furnishings	Matts Off-road Recovery	Easy Shop Insurance
Zion Cycles	Sand Hollow Resort	Zion Veterinary
Western Pest Control	Over the Edge	State Bank of Southern Utah
Desert Plumbing	River Rock	Classic Sports
Addiction Hair Design	Sand Hollow Resort	Deep Creek Coffee
Kinesava Stone	GPA's Custom Ammo	Desert Vet

Our team believes in the value of a culture of growth and challenge. These are our 5 principles:

- Strong Body
- Strong Mind
- Strong Character
- Inclusivity
- Equality

We desire to create an opportunity where the youth of Hurricane can strengthen their body, mind and character through the life-long sport of cycling. We are part of a fun, enduring and relevant biking program that helps improve the already amazing Hurricane Community and the lives of our teens.

It is no secret that Southern Utah is home to some of the best mountain biking in the country. When your company purchases a Flying Tigers Sponsorship, it is joining a dedicated group of Southern Utah companies committed to ensuring that the upcoming generation respects and appreciates our epic trails and unique landscapes while being part of something special.

Put your best foot forward! We need your help to truly make a difference in the lives of our youth.

Visualize this partnership through the eyes of our athletes and their parents. They see your company as the springboard to some of the most positive experiences of their lives.

Adding value to the youth at difficult times during Junior High and High School experiences while integrating your company's presence will not only showcase your commitment to supporting our youth, but will result in great awareness of your passion for Southern Utah's amazing mountain biking legacy.

This is more than a marketing play. It's about creating experiences and relationships that will resonate long after the season comes to a close this fall.

How the Team Benefits:

It's hard to capture all the ways the athletes, coaches and volunteers benefit from the generous donations our sponsors provide, but here are a handful to consider:

- Scholarship assistance for students/families of low income
- Practice equipment and supplies, such as first-aid kits, tubes and training equipment
- Flying Tigers branded canopies for race-day pit zone, clinics and community events
- Transportation equipment expenses for long-distance travel to races
- Bike-specific tools and repair equipment for races and practices
- Team swag to strengthen the brand and the awareness
- Stimulate local interest in mountain biking, trail maintenance and trail advocacy
