

AUGUST 5TH - 8TH 2025

The Academic I/O will host the biennial I/Os Impacting Academia Virtual Summit!

This summit will introduce the leading I/O psychologists and their research on best organizational practices to enhance academic institutions such as K-12 Schools, Vocational Centers, Colleges, and Universities.

Tuesday - The Business of Academia and making a path forward with Talent Mobility, and Succession Planning

Wednesday - Workplace Culture, It Starts with Leadership and Ends With Team Effectiveness

Thursday - Advancing the Employee Experience: Employee Wellbeing, Engagement, and Sense of Belonging

Friday - Day of Best Practice and Community for Academic Leaders

The Summit's main focus is to give Educational Leadership practical ways to:

Implement the
practices in their
everyday work

Advance their
organization

Build the visibility
of our field
