

# Getting Started in Troop 52

## Troop 52 Crossover Ceremony

**When:** March 3, 2025, 7:00 PM

**Where:** Barton Creek Preserve @ Nature Conservancy Pavillion

**What:** Cub Scouts from several local Packs will participate in a sacred ceremony conducted by Order of the Arrow members of Troop 52. Your Scout will cross a ceremonial rope bridge to signify the challenge of their advancement and transition into the Troop. It is a memorable event, and Troop 52 Scouts often spend more than a day constructing the temporary structure just for this ceremony!

## Essential Troop 52 Information

- **Troop 52 Meetings:** Every Monday at 7PM at the Emmaus Catholic Church - 1718 Lohmans Crossing Rd, Lakeway, TX 78734. Scouts and Adult leaders ("Scouters") are required to wear Class A uniforms at all Troop Meetings.
- **Troop 52 Parent Meetings:** "many hands make quick work" – you will hear this saying often. While Troop 52 is a Scout-led organization, it will not thrive without the support and leadership of adult members. Please consider attending parent meetings even if only to provide feedback to the Troop leaders. Parent meetings are held every Tuesday following a campout usually at Emmaus Catholic Church.
- **Monthly Campouts:** "Scouting is Outing" - camping plays a central role in the Troop and provides focus for activities that help Scouts with rank advancement, merit badges and honing their skills in leadership and teamwork.

## Get Started Now!

Before your son crosses over to Troop 52, there are a few tasks you can complete to ensure your he hits the ground running.

- **Youth application:** You must submit a new youth application to get your son assigned to Troop 52. Please download the youth application form here (<https://filestore.scouting.org/filestore/pdf/524-406.pdf>) and turn in the completed application to the Troop Registrar ([spears.briant@gmail.com](mailto:spears.briant@gmail.com)). I highly recommend you include an email address for your son in order to have an account created for him in Scoutbook (this can be tricky set up, so getting it done upfront makes it easier).
- **Adult application:** We have found the involvement of parents in their son's path through scouting to be essential. We strongly encourage at least one adult from a scout's family to register with Troop 52. Please download the adult application

form (<https://filestore.scouting.org/filestore/pdf/524-501.pdf>) and turn in the completed application to the Troop Registrar ([spears.briant@gmail.com](mailto:spears.briant@gmail.com)).

- **Scouts BSA dues:** Required for each youth and adult application. You do not have to pay the annual dues if you have already done so for this calendar year. You can check this by going to <https://my.scouting.org> and checking under "My Application" section.
- **Troop 52 dues:** Required for each youth and adult application and can be paid through the Troop 52 store (<https://troop52lakeway.us/store/ols/products/2025-troop-52-dues>); NOTE if paying by check you can bring it to the Treasurer – Raj Ganta at the crossover ceremony or at a Troop meeting.
- **Medical A&B Forms:** must be filled out for every participant on all Troop Campouts for both youth and adults; NOTE: form C is required for summer camp and high adventure activities ([https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001\\_AB.pdf](https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf))
- **Code of Conduct:** Scouts must sign the Scout Code of Conduct at ONCE during the school year. Adults planning to participate in Troop campouts, activities or become an adult leader ("Scouter") must sign the Scouter Code of Conduct ONCE during the school year. Forms can be found on the Troop 52 website: <https://troop52lakeway.us/registration-and-dues> (under "Registration Forms")

## Adult Training

At Troop 52, we take the personal safety of our Scouts seriously!

Parents and guardians planning to participate in Troop 52 campouts, activities or become an adult leader ("Scouter") in the Troop MUST HAVE up to date training:

- EIM (Ethics and Integrity in Ministry) Workshop  
<https://www.austindiocese.org/eim-instructions>
- BSA YPT (Youth Protection Training)  
<http://www.scouting.org/Training/YouthProtection.aspx>
