Troop 52 Highlights

Scout of the Month: Brooks Chalfant

Congrats to Brooks for serving well in leadership roles for Troop 52 and making sure our Troop runs smoothly. Your leadership does not go unnoticed. Thanks for being a great example for all the Troop to follow.

Did You Know?

More than 2.5 million Scouts have earned the rank of Eagle Scout since its inception over 110 years ago in 1910.

Tip of the Month: Be Prepared -

One of the Scout motto's key lessons is to always "Be Prepared." Whether it's for a hike, campout, or service project, make sure you have the proper gear, a plan in place, and a positive attitude. Preparation is the foundation for success in any adventure!

Parent Involvement: We always need volunteers! Whether it's helping with transportation or organizing events, your support is invaluable. Contact Scoutmaster Tray Bates to find out how you can help.

Quote of the Month:

"Try to leave this world a little better than you found it." – Robert Baden-Powell

Join Us for Lakeway Police K-9 Presentation!

at Emmaus Auditorium, Monday, August 23, 2024, 7:00 pm

We are excited to announce that Troop 52 will be hosting the Lakeway Police K-9 Unit! They will talk about policing and impacts of drugs, alcohol and tobacco. It will be a great discussion and show and tell.

Both K-9s and their respective handlers were trained and certified by the National Narcotics Detector Dog Association in the detection of various narcotics including, but not limited to: cocaine, marijuana, methamphetamine, and heroin. The K-9s also received basic training in tracking, which provided LPD with the ability to track/search for fleeing fugitives and missing persons.

We look forward to seeing you there

Patrol Leaders' Council Meeting

Monday, September 16, 2024, 7:00 pm at Emmaus

A Patrol Leaders' Council (PLC) meeting is a key part of how a Scout troop operates and is a fundamental element of the Boy Scouts of America's "youth-led" approach.

The PLC is a gathering of the troop's youth leaders—primarily the Senior Patrol Leader (SPL), Assistant Senior Patrol Leaders (ASPLs), Patrol Leaders (PLs), and other key youth positions. The meeting is typically led by the SPL and focuses on planning and organizing troop activities. Adult leaders (like the Scoutmaster) usually attend but serve as advisors, allowing the youth leaders to make decisions.

The PLC is an essential way for Scouts to take on leadership roles and guide the direction of the troop, helping them develop decision-making, teamwork, and leadership skills.

Parent Meeting - Committee Meeting

Tuesday, September 17, 2024, 7:00 pm at Emmaus

BSA Troop 52 will be holding its upcoming Committee Meeting to discuss and plan the activities and operations of our troop. The committee plays a vital role in ensuring that our scouts have enriching and organized experiences by supporting our Scoutmasters and planning key events.

The purpose of these meetings is to coordinate upcoming activities, review troop finances, and ensure that we are providing a safe and supportive environment for all scouts. Parents and guardians are encouraged to attend to provide input and stay informed about the troop's direction. Your involvement is key to our success!

We hope to see you there!
