

BSA Troop 52 SMART Goal Worksheet

Annual Planning Meeting and Leadership Skills Training
July 12, 2025

Instructions

Use this worksheet to create a personal leadership goal for the 2025–2026 Scouting year. A SMART goal is **Specific, Measurable, Achievable, Relevant, and Time-bound**. Fill in each section below to define your goal. For example: “I will teach a younger Scout to tie a square knot by the next Troop meeting on July 26, 2025, and have them demonstrate it correctly.”

Category	Your Response
Specific	What exactly do you want to accomplish? Be clear and detailed.
Measurable	How will you know youve achieved it? Include a way to track progress.
Achievable	Is this goal realistic with your skills and resources? Explain how youll do it.
Relevant	Why does this goal matter to you and Troop 52?
Time-bound	When will you complete this goal? Set a specific deadline.

Notes

- Share your goal with your Patrol Leader or Scoutmaster for feedback.
- Review your progress monthly during Patrol Leaders Council meetings.
- Use this goal to guide your leadership roles in Troop activities.
