

Troop 52 Medication Authorization Form

Scout Name:	Patrol:
Campout/Event Name:	
Campout/Event Date(s):	

- All medication should be presented with this form to the medical officer for the event.
- All medications must be brought to the event in the original pharmaceutical container and labeled with the scout's name, medication dosage and schedule.
- Only deliver the amount of medication required for the duration of the event.
- The medical officer will make the medication available to the scout according to the dosing schedule provided.
- All utensils for administering the medication must be provided with the medication. Any split-doses must be split prior to the event.
- The scout must have taken the medication at least once without negative reaction before bringing it to the event.
- The medical officer for the event will store the medication in a secure, non-refrigerated area.
- An authorization form must be submitted for each event where medication is required.

List all medications currently used. Please attach additional information/pages as needed. Inhaler, EpiPen and over-the-counter medication must be included, even if they are for occasional, or emergency use only.
