Shred Day – Emmaus front parking lot – Saturday, October 22, 2022, 7:45 am – noon
Please note corrected date!

We need all scouts to attend October Shred Day. It is a required event because it is our primary fundraiser. We don't sell popcorn. We shred! All scouts should wear their Class A uniforms and big smiles as we offer this service to our community. Because it is a fundraiser, we do not count it as service hours toward advancement, but you may use it for Cavs in Service, NHS, NJHS, etc.

Introduction to Outdoor Leader Skills (IOLS) Training – November 5-6

Attention Troop 52 Adults,

Good news! We have been granted permission by Bee Cave District leadership to conduct our own Introduction to Outdoor Leader Skills (IOLS) training course instead of sending our people to something like Mega Training or other council level events. This course will certify you to be

a trained Assistant Scoutmaster (ASM). We need your attendance. Instructors will be existing Troop 52 adults who have already taken IOLS.

IOLS covers almost all the rank requirements for scouts up to First Class. Adults will learn the patrol method and the necessary skills to be an ASM to teach the scouts. Since IOLS requires an overnight stay, we have been given permission to camp at the Nature Conservancy on Saturday night, November 5, then departing Sunday before noon. This will be an all-day course. There will be no partial credit or leaving early.

There will be more details forthcoming along with a supply sheet, but I wanted to go ahead and get this on the calendar. Please RSVP to James Ezell. Your service to the boys is much appreciated. Our troop can only be as strong as the commitment of our adults to serve the boys, so thank you for your help.

NOTE: This is for adults only. No scouts.

Cooking Merit Badge Campout – November 11-13, 2022 – Doggett Ranch in Goldthwaite

Scouts will begin work on Cooking merit badge at the troop meeting on November 7. Patrols will choose grubmasters and do menu planning. There will be two contests at the campout: Dinner competition in a Dutch oven and dessert any way.

SIC: Mr. Doggett and Mr. Sfeir

Bat Grubmasters – Mr. Doggett and Mr. Russell

Understanding Troop vs Community Service Hours

Eagle projects are Troop-based and do not require pre approval. However before embarking on any Community service hours project, remember to fill out the [Community Service Hours \(CSH\) form](#) to get approval from your patrol's ASM or a Service Hours Coordinator (Ms

Dawson or Ms Cooper). You will also be required to have approval from the community representative in charge of the service project. The CSH form explains it all.

NYLT winter spots are open

Scouts, if you are interested in attending NYLT (National Youth Leadership Training) this winter between Christmas and New Year's Day, please email Mr. Ezell. Troop 52 strongly encourages candidates for Senior Patrol Leader to attend the course.

The NYLT course centers around the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership. NYLT is a six-day course. In order to attend a NYLT course, a youth must have the following qualifications by the beginning of the course: be a registered member of a Scouting unit, have a current BSA Health and Medical Record form parts A, B, and C; must be at least 13, and have a Scoutmaster recommendation.

Trail to First Class Activities

October 8 – Mudd Cove, Pace Bend Park –First Class #6e and Canoeing MB.

November – TBD

December 14 Lakeway City Park, upper pavilion – TBD

Each month Mr. Schulenberg will be hosting Trail to First Class workshops at Lakeway City Park. Beginning on April 9, these workshops will take place on the second Saturday of every month from 9-11 AM at the upper pavilion. We will focus on rank advancement skills and knowledge from Scout through First Class. All scouts are welcome to join in, to listen, learn, and participate. For the older scouts, this is an opportunity to earn rank advancement by helping to lead these sessions by demonstration the EDGE method.

During these 2 hour sessions we will work together through each of the requirements in Scout, Tenderfoot, Second Class, and First Class, including some of the more challenging activities such as first aid, knots, fire building, nature hikes, and the physical fitness requirements. Our goal is to have fun and learn from each other. Please see the Troop Calendar for workshop details.
