Shooting Campout Training

We are excited to offer shooting to our scouts at the BSA Lost Pines Scout Reserve Shooting Range during our February 23-25 Campout!

For the next meeting, we have scheduled instruction of the safety and classroom training necessary, before the campout, to learn the practical application and demonstration of shooting skills necessary to meet the requirements for the rifle and shotgun merit badges, all while displaying the **knowledge, skills and attitude essential to safe shooting activities.**

We will have all scouts who have not yet earned the rifle merit badge to start there, while the older scouts and those who have already earned the rifle merit badge to focus their efforts on earning the shotgun merit badge.

We are excited to offer this opportunity to Troop 52 and remind the parents and boys this is a serious class that requires their attention and best behavior or they will be asked to leave the range.

Prep for Shooting Campout!

This next weekend is gonna be a great weekend at Lost Pines Scout Reserve & Gun Range.

Plan for sunny weather with temperatures ranging from mid-40's at night to low 70's during the daytime.

We will work toward the Rifle and Shotgun Shooting Merit Badges. Enjoy some great camping and great food!

We will plan for Patrol Cooking so bring your creative ideas to some fun meal planning for Monday's Meeting.

We will need volunteers for grubmasters and Patrol Leaders will work on duty rosters for those going on the campout.
