## Shooting Campout

*Wow! What a great campout we had this weekend!*

A big shoutout to Ashwin Rao (SIC) and Jack Williams (Bats Grubmaster with help from David Shen, Mike Hansen, and Matt Berger)! Your planning and execution made this campout a success! We also had a lot of help from the attending adults and Rifle/Shotgun Instructors and Range Safety Officers. The event was safe, fun and successful. We had 9 scouts earn their Rifle Merit Badge and 5 scouts earn their Shotgun Merit Badge. The rest had a BLAST learning and building a foundation of good fundamentals. **Bridge Build: March 3; 10 am - 2 pm**

**Ceremony: March 4; 7 pm-8:30 pm**

Scouts who are already members will arrive on Sunday to construct the bridge. You will get credit toward the Pioneering merit badge. All new Webelos crossing over may not attend Sunday. All scouts, including crossovers, will attend on Monday for the ceremony, in Class A uniforms. SIC for Bridge Build - George Popa

Monday, March 4, marks new scout's official entry into Troop 52 with our crossover ceremony at the Nature Conservancy (Barton Creek Habitat Preserve). The entrance is located on Bee Cave Road near Lake Hills Church. Scouts will cross our rope bridge and shake hands with everyone. We will all enjoy some of that delicious Troop 52 cobbler. The troop registrar will take applications. Scouts and parents will sign code of conduct forms. You will have an opportunity to buy swag: hats, class B shirts, hoodies, cups, etc.

Adults, please bring a camp chair and a blanket if you get cold. New scouts will sit on benches up front. Please wear Class A uniforms.

If you have not used this entrance before to the Nature Conservancy, it is located at Resaca Boulevard and Bee Cave Road. Turn right on Resaca, left like you are entering the parking lot for Lake Hills Church, but instead take an immediate right on the dirt road labeled "The Nature Conservancy." Park in the upper area lot and walk down the stairs to the pavillion. [Entry Road Location](#)
