Sacramento, NM 88347**

Scuba Lessons Anyone?

***Scuba diving instructor ready to get scouts
PADI certified***

Brady Huddleston at Texas Scuba Academy is offering to work with a fresh group of scouts to help them earn their open water SCUBA certification from PADI and the Scuba Merit Badge. We get a volume discount as well.

The program is available to both scouts and parents.

This is great training if you have plans to attend Seabase and/or go scuba diving this summer.

We are still hoping to get a volunteer to coordinate, as the point of contact for the instructor. The task requires minimal effort to recruit interest and to schedule for two troop meetings where the instruction will occur as well as the classroom PADI test. The instructor will work directly with the participants to schedule pool sessions, certification dives and payments.

For pointers, Ashwin Rao, was our most recent coordinator and can get you more details.

Brady will be with us Monday night for a presentation.

SHRED DAY IS HERE!

Our Mandatory Semi-Annual Fundraiser

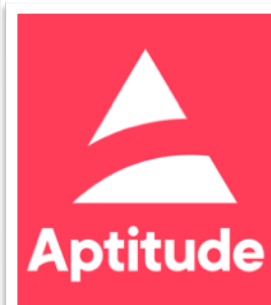

This is an important event for Troop 52 as well as the Lakeway Community. Many people are excited to see us twice a year after Tax Day to bring their documents to be securely shredded on site. Our scouts are great with assisting to get these documents into the shred trucks.

As a fundraiser, it helps the Troop to supplement dues to fund our risk and adventurous programs. Please make sure to prioritize this event. It only lasts from 8AM til noon on Saturday, May 4th. Wear your best Class A uniform to show the community our Troop 52 pride!

We will have donuts for all volunteers! Bring a water bottle and sunscreen since we will be in the parking lot for a few hours.

A big thank you to our sponsor

Aptitude for covering the cost of the Shred Trucks!
