## Sustainability Campout

*April 19-21: Doggett Ranch, Goldthwaite, TX*

What a great camping experience the Troop had this past weekend! Forecasts of Thunderstorms didn't scare these boys! They showed up and set up a great camp, ready for rain and enjoyed a giant bonfire on Friday night.

Saturday was filled with Sustainability Merit Badge stations and when the rain started, everyone went into the enclosed shelter and continued with the training. Apparently the boys did a great job with setting up camp because all the tents held up as well as the shelters. Great job boys!

## Geocaching Merit Badge Followup

### Mr. Ezell, Merit Badge Counselor

If you earned the Geocaching merit badge last year, or are still working on it and are interested in getting a requirement fulfilled, please read the following:

Our geocache that we hid in Lakeway City Park has gone missing. We need to replace it within two weeks or else it will be deleted from the geocaching website. If anyone can bring a container and a few items, plus a [geocaching.com](https://www.geocaching.com) log sheet, to replace the one that was lost, please let me know. We can put it back next weekend so more people can hunt. 14 people successfully found it before it went missing.

Let me know if you have any questions.

Thanks, James Ezell ([jas\\_ezell@yahoo.com](mailto:jas_ezell@yahoo.com))
