

About us

CUSP Solutions was designed with one mission in mind: helping locally owned businesses thrive by offering custom payment solutions to lower or even ELIMINATE credit card processing fees!

With some of the best partners in the industry we can almost guarantee to find you a custom payment solution to fit your business.

At CUSP Solutions we value **OUR INTEGRITY** which means:

- ✓ Free Cost Savings Analysis to put together a custom payment solution for your business
- ✓ By the off chance we cannot put together a solution that benefits you, we will shake hands and part ways with **ZERO** cost out of your pocket for our time
- ✓ We **NEVER** use bait and switch tactics (i.e., offering a lower rate to get you locked into a contract and then raising the rates later)
