

Incoming High School Seniors! Not sure where to start with your essay? Unsure what the Common App is? Need help staying on top of application deadlines? Check out:

COLLEGE APPLICATION & ESSAY GUIDANCE

With Youth Education Alliance

Interested?

Scan here and fill out this form to register!

- We can guide you through all aspects of the college application process: Common App, essays, supplementary materials, deadline management, and more!
- We work with your student one-on-one to discuss their goals and ensure they present the best version of themselves in their applications
- We provide customized tracking spreadsheets to keep track of all primary and secondary deadlines
- We guide your student through the essay-writing process to make sure their voice and story are heard!

Sessions over the summer can be completed at your home or virtually

Interested but still have questions?
