

# MTA-SN Newsbrief

---

Greetings Members,

As the year winds down we find ourselves busier than ever with recitals, rescheduling due to sports, graduations and maybe even birthdays to celebrate. Sometimes spring, although it is a beautiful time of year, can be stressful. This is when the focus on the joy of music is so important, to calm and de-stress us.

We have a busy 2 months ahead for MTA-SN as well. In April, Stephen Feiss will present a program on Canadian composers, an area I'm sure we need educating in. We will also vote on our slate of officers so please attend so we have a quorum! Then on April 7 is our final outreach recital of the year at Covenant Village in Westminster with 13 students performing. At the May meeting we will install officers, enjoy our teacher's musicale and a potluck luncheon together. I look forward to seeing many of you there at my last meeting as president and as I hand over the reins to Dhita!
