

Tom is a governmental policy and regulatory affairs expert in the energy industry. He served 33 years in various staff, management and executive roles for TXU Corporation, including leading Governmental Policy from 2000 to 2009 during the implementation of price-competition in ERCOT. He is President of Geometric Strategies, an energy consulting company he founded nine years ago. Tom is also a Senior Consultant with CMG Consulting, focusing on reforming regulatory designs to encourage digitization of the power grid. Prior to that time, he served for 8 years as Chief Executive Officer of Clean Energy Technology Association, a company dedicated to developing innovative energy solutions. Tom has lived in the Dallas/Fort Worth area since 1980 and is married with two adult children, along with three grandchildren.
