

2021/2022 School Year Program Policies

Little Red Schoolhouse is an in-person Preschool Pod for Children ages 3-5 years of age. The objective of the program during the 2021/2022 school year is to provide a high quality preschool experience to a small group of preschoolers who's families have concerns about Covid-19 exposure, but still want their child to attend preschool. We are offering a strong, preschool program for parents wanting to keep their child on track socially, emotionally, cognitively and physically.

Our teaching methods are hands-on. We use age appropriate materials to give children a very strong foundation academically.

All preschoolers are required to bring a mask to school each day. Grownups are required to wear masks in the classroom.

Max Group Size: 8 Children

Potty Training: Being Potty Trained is not a requirement. Students who are not potty trained will be encouraged to use the potty during potty breaks with no pressure during the first semester. If the child has not been potty trained by the end of the first semester we will discuss a potty training plan with parents during our mid-year Parent/Teacher Conference that will work best for that child. We will begin actively potty training together 2nd semester.

Uniform: Little Red Schoolhouse T-shirt or Polo (included in enrollment) with comfortable bottoms

Meals: Meals will not be provided. You will have to bring a lunch for your child.
