Business Startup Commitment Objectives

Our commitment to **Disability** is to support disabled people with their business start-up journey through a focused approach.

To help set our commitment objectives for Disabled our engagement encourages disabled people to take part in setting our

business start-up commitment objectives.

Our Business Start-up Commitment Objectives for disabled comes from a publication on **Disability and Entrepreneurship**. The questions has been set based on the finding from this disability publication.

We would like disabled people to take part in our commitment objectives questionnaire.

### Questions:

1. What describes commitment objectives for disability start-up business? Describe in your own words.
2. How can our New Business Start-up Programme support Disabled?
3. How can accessibility to the New Business Start-up Programme be better-quality?
4. How can our new business start-up programme support disabled people with their ambition?
5. What support do disabled people need for starting up their own business?
6. How can the New Business start-up programme support disabled people over a 24 month?
