EXECUTIVE SUMMARY

Dr. Vern W. Wood III is a TS/SCI-cleared executive with over 12 years of experience supporting classified defense, intelligence, and federal programs. As founder and CEO of GIGS, he leads delivery across cybersecurity, systems compliance, secure integration, and program oversight. His record includes contributions to DoD, NRO, NSA, CIA, INSCOM, and FBI missions. Dr. Wood's leadership ensures audit-readiness, operational integrity, and alignment with federal mandates.

AREAS OF EXPERTISE

- Cybersecurity & RMF Compliance (NIST, FISMA, FedRAMP, CMMC, ISO/IEC)
- Program & Project Management (PMO Setup, Risk Mitigation, Strategic Planning)
- Administrative & Records Support (FOIA, Workflow, Records Lifecycle)
- Contract Administration (FAR/DFARS, Audit Response, Vendor Compliance)
- IT Modernization, Secure Integration & SCIF Readiness

FEDERAL SUPPORT EXPERIENCE

- DoD - Cybersecurity program operations across classified networks
- NRO - Systems assurance and mission risk assessments
- NSA - Posture hardening and compliance alignment
- CIA - Operational support and regulatory controls
- FBI - Audit-preparedness and internal workflow evaluation
- INSCOM - RMF and NIST Framework deployment
