hello

Congratulations! You must be planning something exciting and I'd love to be part of it. I'm Jenna, and since 2021 I've been running my Wedding Stationery Business which has grown by word of mouth through people just like us - people who love quality, unique and personal keepsakes.

So, how can I help you?

By choosing me as your Wedding stationer you will have artwork to treasure forever as a lovely memory of your wedding day. I work with couples to create stationery that is meaningful and allows you to be involved in the creative process. Please have a look through some samples, and I hope to hear from you soon.

What's included?

- *In person / virtual meetings to work on the designs together*
- *A print of any artwork completed for you, so that you can frame it and hang it in the house*
- *A keepsake box with one copy of each part of your stationery*
- *Communication with a real human throughout the design process & access to wording templates*

*"We cannot
reccommend Jenna
highly enough"*
