Hey Sarah! This is probably gonna seem completely random on your end but as a Calgarian who is always looking for things to do, I really appreciate your content. Wishing you all the best with everything!

You're posts are great. They save me so much time figuring out where to eat and what to do.

I haven't lived in Canada in 6 years and your page is my number one source for all things fun! So thank you so much for your hard work

Just tried this tonight because of your video.

commented: I'm legit going there as soon as I get off work thanks for this 18m

sharing this.. looks like a cool spot.. gonna def try it out (29) 4h
