

What type of flooring do you recommend for my home?

Kitchen?

Bathrooms?

Stairs?

Elsewhere?

Why do you recommend this type(s) of flooring?

Can you provide samples of the flooring you recommend?

What is the cost per square foot? Are there any hidden fees or additional charges?

How long will it take to complete the installation? What will my downtime be in my home?

Do you offer any warranties or guarantees on the flooring or installation? If so, what are the terms?

How will you handle the removal and disposal of the existing flooring? Is this included in your quote?

Will you move furniture or appliances as needed? Is there an additional cost for this service?

Will you remove and reinstall base boards? Is there an additional cost for this service?

What is your process for fixing any subflooring or leveling issues before installing the new flooring? (ie levelling the living room floor so it is the same height as the kitchen once completed)

Are there any maintenance or care instructions for the new flooring? If so, what are they?

Can you provide me with references from folks here in Beaumont?

Do you have google reviews? Facebook reviews?

Will you require a deposit? If so, how much?

Do you have a Prepaid contracting licence? (I will need to see it prior to signing and sending deposit.)
