"I studied in three ILSC locations, Toronto, Vancouver, and Sydney. It's not easy to take risks and to break free from our comfort zone but it's totally worth it. I fell in love with making friends from everywhere. By having friends in the same boat as me I've learned to overcome my fears and just focus on communicating. I'm 100% sure I became a better version of myself. It's much more than improving my English, it's an opportunity to evolve myself."
