Barriers	The only barrier I encountered was people that did not fill out the evaluation form. After realizing so many people did not fill it out I have now made it a QR code that			

Encountered	people fill out before they leave the classroom so that everyone is participating in the evaluation.
Success Stories	The following statements came from the evaluation form. "He taught efficiently, allowing questions after every lesson to ensure everyone understood the content. I trusted him in his expertise, and felt supported." -Sophia Adkins/May 20th Class. "I liked learning how to use an epi pen both of the styles I also liked learning how to properly do cpr and where and how I should position my hands"-Nakiah Rogers/April 7th Class." Dave is an excellent trainer. I have had him in the past and would not want anyone else. So much learned."- Kathy Adelmund/June 24th Class.
