Barriers Encountered	Quarter 4: As construction on our building remodel continues, we are steadily losing available storage space. While we're excited about the improvements ahead, the temporary reduction in storage has required our team to adapt and find creative ways to manage incoming food and supplies.			
Success Stories	Quarter 4: "A couple recently shared their gratitude for the diapering supplies available alongside our grocery assistance. With their family currently relying on a single income, keeping up with rising expenses has been a challenge. These visits have helped to give the couple some peace of mind, knowing they'll be able to provide for their family."
