Barriers Encountered	<p>During quarter three there were some barriers that were lifted in regards to COVID-19: a mask unless they were experiencing any contagious illness and of course masks we wear one. CCR&R still has to keep Covid-19 in mind and what the Covid-19 protocols v and facilitator safe which included, continuing to disinfection (tables, door knobs, chai how tables are setup. The EPI Deery Center Multi-purpose Room capacity did increas have some participants who continue to not feel comfortable coming to face to fac more interested in attending face to face trainings due to not having access to elec CCR&R continues to be thankful that we are able to offer both virtual and face to fac receive. Additionally, there are still many providers who are still not comfortable co virtually so it has been great to have the opportunity for them to attend virtual trair Region 2 has offered.</p>				
Success Stories	<p>During quarter three providers were offered approximately 30 training opportunities March many being offered virtually due to Iowa winters and some face to face wit offered through CCR&R Region 2/CCR&R Statewide Webinars. Black Hawk began to the end of February where Child Development Home providers from Black Hawk cou business, child development, create and/or update business policies along with contr with the end goal of becoming ChildNet 3.0 certified. We offered a Coloring Outside child care providers got to have hands on experience, learn about the difference be variety of art supplies that they could take back a variety of ideas to implement in the was a training that providers have been wanted and asking for many years and Bl continues to be appreciative of the CVP funds we receive as they continue to pay for offer this spring. Along with helping pay for trainer fees, the increase in mileage fees, that allow for child development home providers and child care center staff to impl and/or health and safety practice to improve the quality of care they provide. Additi reimbursement program specifically for child care center staff including directors, ass for up to 3 staff per a child care center in Black Hawk County to apply to get reimburs taken through a DHS Approved training organization that their program would have program has helped support programs through an application process, copy of their t grateful to be able to offer this reimbursement program th</p>
