IAN WALTON GALLERY

O oed cynnar iawn rwyf wedi cael fy ysbyrdoli gan y môr, yr awyr a'r mynyddoedd. Fel dringwr, peilot a morwr rwyf wedi cael y cyfle i astudio yr amgylcheddau hyn yn agos i'w dal nhw ar gynfas ac wedi bod yn ddigon ffodus i ennill bywoliaeth o hyn am y rhan fwyaf o fy mywyd.

From a very early age I've been inspired by the sea, sky and mountains, and I've been lucky enough to earn a living from those environments for most of my life. As a climber, pilot and sailor I've had the opportunity to study up close to capture those worlds on canvas.

Janet has become finely attuned to her surroundings of the changing seasons on Anglesey. She paints intuitively, adjusting composition and colour while working on several pieces at a time. Her inspiration comes from living in the place that she loves.

Mae paentiadau Lynne mewn acrylig wedi'u hysbrydoli gan y ffurfiau a'r patrymau a geir yn y dirwedd leol. Maent yn dechrau gyda'r amgylchoedd naturiol ond yn aml mae elfen haniaethol i'r cyfansoddiad ac mae lliw yn arbennig yn chwarae rhan bwysig.

Lynne's paintings in acrylics are often inspired by the forms and patterns found in the local landscape. They start with natural surroundings but often there is an abstract element to the composition. Colour also plays an important role.

Rwy'n artist cyfrwng cymysg sy'n gweithio gyda gwydr môr, broc môr, ffeltio nodwydd, gwaith gwifren a papur ond yn ddiweddar rwyf hefyd wedi dod o hyd i gariad at waith gwydr. Rwy'n gweld gwydr mewn golau hollol wahanol nawr.

I am a mixed media artist working with sea glass, driftwood, needle felting, wirework, paper, but I've recently also found a love for glass work, so I break and crush glass and carefully cut it all with nippers. I see glass in a whole different light now.
