

# TMM/Son Solar 2024 Summer Youth and Youth Leadership Programs

*June 3 - July 12, 2024*

The Mendenhall Ministries, and Son Solar, Inc, the latest outreach of the Mendenhall Bible Church, will be offering two summer youth programs.

## **EcoSTEM Leadership Program (High School)**

Ten (10) rising 9th graders through graduating seniors will be introduced to clean energy concepts and careers while also learning other basic leadership skills, such as wealth management and business development, and preparing for the ACT test. The group will undertake community service projects and take informative field trips. The student will also enroll in a national computer workshop skills training, which will run until July 19.

Participants will be paid: \$100 per week/\$505 to student per week and the balance at the end of the program. Students will also be paid an additional stipend of \$600 or \$450 for the completion of the computer skills class.

*Participants will be selected based on the quality of their written application and in person interview.*

**Applications due: Monday, May 20<sup>th</sup>; interviews held May 21<sup>st</sup>-23<sup>rd</sup>; participants selected, May 24.**

## **EcoSTEM Pioneers Program (Pre-school and Elementary)**

Up to 65 participants, ages 3 through rising 8<sup>th</sup> graders will receive tutoring in Math, Science, and Reading, and engage in recreation, crafts, and art activities. They will be introduced to clean energy concepts and conservation as well.

Cost: \$300 for first child, \$200 for second child, \$100 for each child thereafter. We are seeking funds to be able to reduce these costs if possible.

***\*\*\*Breakfast, lunch and two snacks will be provided to participants in both programs.***
